Fuck You – Ceelo Green

[Earmuffs. Feel free to sing “forget you” if that’s more your speed.]

[Chorus:]
 I see you driving ‘round town with the girl I love
 and I’m like, “FUCK YOU!” (ooo, ooo, oooo)
 I guess the change in my pocket wasn’t enough
 I’m like, “FUCK YOU! And, uh, fuck her too.”
 I said, “If I was richer, I’d still be with ya”
 Ha, now ain’t that some shit? (Ain’t that some shit?)
 And although there’s pain in my chest, I still wish you the best
 With a...“FUCK YOU!” (ooo, ooo, ooo)

Yeah I’m sorry, I can’t afford a Ferrari
 But that don’t mean I can’t get you there
 I guess he’s an Xbox, and I’m more Atari
 But the way you play your game ain’t fair

I pity the fo-ool, that falls in love with you
 (Oops, she’s a golddigger) Well
 (Just thought you should know n-)
 Ooooo-ooooh, I’ve got some news for you (ha ha)
 Yeah, go run and tell your little boyfriend.

[Chorus]

Now I know, that I had to borrow
 Beg and steal and lie and cheat
 Trying to keep ya, trying to please ya
 ‘Cause being in love with your ass ain’t cheap

I pity the fo-ool, that falls in love with you
 (Oh shit she’s a golddigger) Well
 (Just thought you should know n-)
 Ooooo-ooooh, I’ve got some news for you (ha ha)
 Ooh, I really hate your ass right now.

[Chorus]

Now baby, baby, baby
 Why d’you wanna wanna hurt me so bad?
 (So bad, so bad, so bad)
 I tried to tell my mama but she told me
 “This is one for your dad.” (Your dad, your dad, your dad)
 Yes she did

And I was like: UH! – Whhhhhy?
 Uh! – Whhhhhy?
 Uh! – Whhhhhy la-a-a-ady?
 Oh! – I love you. Oh! – I still love you.
 Oooooooh!

I see you driving ‘round town with the girl I love
 Ugh, “FUCK YOU!”
 Ooo, ooo, oooo
 I guess the change in my pocket wasn’t enough
 I’m like, “FUCK YOU!”
 And, uh, fuck her too.”
 I said, “If I was richer, I’d still be with ya”
 Ha, now ain’t that some shit? (Ain’t that some shit?)
 And although there’s pain in my chest, I still wish you the best
 With a...“FUCK YOU!” (ooo, ooo, ooo, hoo)

Don’t Start Now – Dua Lipa

If you don’t wanna see me

Did a full 180, crazy
 Thinking ‘bout the way I was
 Did the heartbreak change me? Maybe
 But look at where I en-ded up
 I’m all good already
 So moved on, it’s scary
 I’m not where you left me at all, so

If you don’t wanna see me dancin’ with somebody
 If you wanna believe that anything could stop me

[Chorus:]

Don't show up, don't come out
Don't start caring a-bout me now
Walk away, you know how
Don't start caring a-bout me now

Aren't you the guy who- tried to
Hurt me with the word "goodbye"?
Though it took some time to- survive you
I'm better on the other side
I'm all good already
So moved on, it's scary
I'm not where you left me at all, so
If you don't wanna see me dancing with somebody
If you wanna believe that anything could stop me
(Don't, don't, don't)

[Chorus]

Up, up, don't come out (don't come out, out)
Don't show up (don't show up, up)
Don't start now (Oh)
Up, up, don't come out, out
I'm not where you left me at all, so

If you don't wanna see me dancing with somebody
If you wanna believe that anything could stop me

[Chorus]

Up, up
Don't come out (don't come out, out)
Don't show up (don't show up, up)

Jolene – Dolly Parton

[Chorus:]

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green

Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you, Jolene

He talks about you in his sleep
There's nothing I can do to keep
From crying when he calls your name, Jolene

And I can easily understand
How you could easily take my man
But you don't know what he means to me, Jolene

[Chorus]

You could have your choice of men
But I could never love again
He's the only one for me, Jolene

I had to have this talk with you
My happiness depends on you
And whatever you decide to do, Jolene

[Chorus]

You Oughta Know – Alanis Morissette

I want you to know, that I'm happy for you
I wish nothing but the best for you both

An older version of me, is she perverted like me?
Would she go down on you in a theater?
Does she speak eloquently?
And would she have your baby?
I'm sure she'd make a really excellent mother

The original A People's Choir is a monthly group sing-along created by Paige Reitz, Adele Hauser, and Decoteau Wilkerson in Portland, Oregon. Every month, a theme is chosen and choir members (i.e., whoever wants to come) suggest songs via social media. The choir simply sings along to the sound recordings- anything goes! The choir began in 2011 out of nostalgia for communal singing. Since the first choir, A People's Choir has hosted choirs at PSU's Open Engagement, New York's Art in Odd Places festival, Last Thursdays on Alberta, PDX Farm Fiesta and monthly at their new venue, Crush Bar. They were also listed as one of the "Best of Portland" by the Willamette Week. Find out more about the Portland choir at: <https://www.facebook.com/APeoplesChoir>

The DC sing-along started in April 2014. You can keep track of events through email (send a note to the email below to get on the list), Twitter, or Facebook.

Fallin' – Alicia Keys

I keep on fallin'
I-i-i-i-i-in and outta love with you
Sometimes I love ya, sometimes you make me blue
Sometimes I feel good, at times I feel used
Lovin' you, darlin', makes me so confused

[Chorus:]
I keep on fallin' in and out
Of love with you
I never loved someone
The way that I love you

Oh, oh, I never felt this way
How do you give me so much pleasure
And cause me so much pa-ai-ain? (Yeah, yeah)
Just when I think I've taken more than would a fool
I start fa-a-a-a-allin' back in love with you-ou

[Chorus]
Oh, baby
I, I, I, I'm fallin' (Yeah, yeah)
I, I, I, I'm fallin'
Fa-a-a-all, fa-a-a-all, fa-a-a-a-a-all (Sing)
Fa-a-a-a-a-a-all

[Chorus][x3]

What?

Tearin' Up My Heart – NSYNC

[Chorus:]
It's tearin' up my heart when I'm with you
But when we are apart, I feel it, too
And no matter what I do, I feel the pain, with or without you

(Hey...yeah)
Baby I don't understand
Just why we can't be lovers
Things are getting out of hand
Trying too much, but baby we can't win

Let it go
If you want me, girl, let me know
I am down, on my knees
I can't take it anymore

[Chorus]

(Oohhh...alright)
Baby don't misunderstand (don't misunderstand)
What I'm trying to tell ya
In the corner of my mind (corner of my mind)
Baby, it feels like we're runnin' out of time

Let it go
If you want me, girl, let me know
I am down, on my knee-es
I can't take it anymore (oh oh oh)

[Chorus]

Tearin' up my heart and soul
We're apart I feel it, too
And no matter what I do, I feel the pain
With or without you

Tearin' up my heart and soul (alright)
We're apart I feel it, too (I feel it too)
And no matter what I do, I feel the pain
With or without you

[Chorus]

And no matter what I do, I feel the pain
With or without you

Leave (Get Out) – JoJo

'Cause the love that you gave, that we made
Wasn't able to make it enough for you to be open wide,
No

And every time you speak her name
Does she know how you told me you'd hold me until you died?
'Til you died?
But you're still alive

And I'm here to remind you
Of the mess you left when you went away
It's not fair to deny me
Of the cross I bear that you gave to me
You, you, you oughta know
You seem very well, things look peaceful
I'm not quite as well, I thought you should know

Did you forget about me, Mr. Duplicity?
I hate to bug you in the middle of dinner
It was a slap in the face, how quickly I was replaced
And are you thinking of me when you fuck her?

'Cause the love that you gave, that we made
Wasn't able to make it enough for you to be open wide,
No

And every time you speak her name
Does she know how you told me you'd hold me until you died?
'Til you died?
But you're still alive

And I'm here to remind you
Of the mess you left when you went away
It's not fair to deny me
Of the cross I bear that you gave to me
You, you, you oughta know

[Quiet interlude and moaning/ahh-ing]

'Cause the joke that you laid in the bed that was me,
and I'm not going to fade as soon as you close your eyes,
and you know it
And everytime I scratch my nails down someone else's back,
I hope you feel it
Well, can you feel it?

Well, I'm here to remind you
Of the mess you left when you went away
It's not fair to deny me
Of the cross I bear that you gave to me
You, you, you oughta know

I'm here to remind you
Of the mess you left when you went away
It's not fair to deny me
Of the cross I bear that you gave to me
You, you, you oughta know

Linger – The Cranberries

If you, if you could retu-urn
Don't let it bu-urn
Don't let it fa-ade
I'm sure I might be ru-ude
But it's just your attitu-ude
It's tearing me apart
It's ruinin' everythiiiiing
And I swore, I swore I would be true
And honey, so did yo-ooou
So why were you holding her ha-and?
Is that the way we sta-and?
Were you lying all the ti-ime?
Was it just a game to you?

[Chorus:]

But I'm i-in so deeeeeeeep
You know I'm such a fool for you
You've got me wrapped around your finger, ah, ah, ah
Do you have to let it linger?
Do you have to, do you have to, do you have to let it linger?

Ooh, I thought the world of you
I thought nothing could go wro-ong
But I was wrong, I was wro-ooong

If you, if you could get by
Trying not to li-iiiie
Things wouldn't be so confu-used
And I wouldn't feel so u-used
But you always really knew
I just want to be with you

[Chorus]

[Instrumental Break]

[Chorus]

You know I'm such a fool for you
You've got me wrapped around your finger
Do you have to let it linger?
Do you have to, do you have to, do you have to let it linger?

[Instrumental outro]

Ex's & Oh's – Elle King

Well, I had me a boy, turned him into a man
I showed him all the things that he didn't understand
Who-oo
And then I let him go
Now, there's one in California who's been cursin' my name
'Cause I found me a better lover in the UK
Hey, hey
Until I made my getaway

One, two, three, they gonna run back to me
Cause I'm the best baby that they never gotta keep
One, two, three, they gonna run back to me
They always wanna come, but they never wanna leave

[Chorus 1]

Ex's and the oh, oh, oh's they haunt me
Like gho-o-osts they want me
To make 'em oh, oh, oh, they won't – let – go
Ex's and oh's

I had a summer lover down in New Orleans
Kept him warm in the winter, left him frozen in the spring
My, my
How the seasons go by
I get high, and I love to get low
So the hearts keep breaking, and the heads just roll
You know
That's how the story goes

One, two, three, they're gonna run back to me
'Cause I'm the best baby that they never gotta keep
One, two, three, they're gonna run back to me
They always wanna come, but they never wanna leave

[Chorus 2]

Ex's and the oh, oh, oh's they haunt me
Like gho-o-osts they want me
To make 'em oh, oh, oh, they won't – let – go
My Ex's and the oh, oh, oh's they haunt me
Like gho-o-osts they want me to make 'em oh, oh, oh
They won't – let – go
Ex's and oh's

[Guitar solo]

One, two, three, they gonna run back to me
Climbin' over mountains and a-sailing over seas
One, two, three, they gonna run back to me
They always wanna come, but they never wanna leave

[Chorus 2]

[Note: I thought way too long about whether the "ex's" should be "exes" but then I decided to live my life free of worry about this one small thing, and you should, too.]

Truth Hurts – Lizzo

Why are men great 'til they gotta be great?...Woo!

Mmm, oh- yeah, yeah

I've been waiting all day here for ya babe
So won't you come and sit and talk to me
And tell me how we're gonna be together, always
Hope you know that when it's late at night
I hold on to my pillow ti-ight
And think of how you promised me forever

(I never thought that anyone)
Could make me feel this way, oh
(Now that you're here, boy, all I want)
Is just a chance to sa-a-a-a-a-a-ay

[Chorus]

Get out (leave!) right now, it's the end of you and me
It's too late (now!) and I can't wait for you to be gone
'Cause I know- about her (who?) and I wonder (why?)
How I bought all the lies

You said that you would treat me right
But you was just a waste of time (waste of time)

Tell me why you're looking so confused
When I'm the one who didn't know the tru-uth
How could you ever be so co-o-o-o-o-o-o-old?
To go behind my back and call my friend
Boy, you must have gone and bumped your he-ead
Because you left her number on your pho-o-o-o-one

(So now after all is said and done)
Maybe I'm the one to blame, but
(To think that you could be the one)
Well, it didn't work out that wa-a-a-a-ay

[Chorus]

I wanted you right here with me
But I have no choice you've gotta leave
Because my heart is breakin'
With every word I'm sayin'
I gave up everything I had (ohhhh)
On somethin' that just wouldn't last (ohhhh)
But I refuse to cry
No tears will fall from these
E-e-e-e-eyes
O-o-o-o-oh, o-oh
Get out!

[Chorus][x2]

Get out (leave!), you and me-e-e-e-e
It's too late (now!) too late!
Yo-o-o-o-ou
'Bout her (Who? Why?)
You said that you would treat me right (no-o-o-o-o)
But you was just a waste of time (waste of time)
Oh, oh-oh, o-o-o-o-oh, o-oh, o-o-oh

Lovefool – The Cardigans

Dear, I fear we're facin' a problem
You love me no longer, I know and
Maybe there is nothing that I can do, to make you to
Mama tells me I shouldn't bother
That I ought to stick to another man
A man that surely deserves me
But I think you do!
So I cry, I pray, and I beg
[Chorus:]
Love me, love me, say that you love me
Fool me, fool me, go on and fool me
Love me, love me, pretend that you love me
Leave me, leave me, just say that you need me

So, I cry, and I beg for you to

Love me, love me, say that you love me
Leave me, leave me, just say that you need me
I can't care 'bout anything but you...

Lately I have desperately pondered

Spent my nights awake and I wonder
What I could have done in another way, to make you stay
Reason will not lead to solution
I will end up lost in confusion
...I don't care if you really care, as long as you don't go

So, I cry, I pray, and I beg

[Chorus]

So I cry, and I beg for you to love me, love me
Sayyyyy that you love me
Leave me, leave me, just say that you need me
I can't care 'bout anything but yooooou...(Anything but yooooou)

Love me, love me (Say that you love me)
Fool me, fool me (Go on and fool me)
Love me, love me (I know that you need me)
I can't care 'bout anything but youuuu

Ain't No Sunshine – Bill Withers

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's go-one
And she's always gone too long, anytime she goes away

Wonder this time where she's gone
Wonder if she's gone to stay
Ain't no sunshine when she's go-one
And this house just ain't no home
Anytime she goes away

And I know, I know, I know, I know
I know, I know, I know, I know [x5]
I know, I know

Hey, I ought to leave the young thing alone
But ain't no sunshine when she's gone

Ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's go-one
And this house just ain't no home
Anytime she goes away
Anytime she goes away
Anytime she goes away-y-y-yyyy

Best Thing I Never Had – Beyoncé

I just took a DNA test, turns out I'm 100% that bitch
Even when I'm crying crazy
Yeah, I got boy problems, that's the human in me
Bling bling, then I solve 'em, that's the goddess in me
You coulda had a bad bitch, non-committal
Help you with your career, just a little
You're 'posed to hold me doooown, but you're holding me back
And that's the soooooound of me not calling you back

[Chorus:]

Why are men great 'til they gotta be great?
('Til they gotta be great)

Don't text me, tell it straight to my face
(Tell it straight to my face)

Best friend sat me down in the salon chair
(Down in the salon chair)

Shampoo press, get you out of my hair
Fresh photos with the bomb lighting
(With the bomb lighting)

New man on the Minnesota Vikings (Minnesota Vikings)
Truth hurts, needed something more exciting (Yee)
Bom bom bi dom bi dum bum bay (Eh, yeah, yeah, yeah)

You tried to break my heart?

Oh, that breaks my heart

That you thought you ever had it, no, you ain't from the start

Hey, I'm glad you're back with your bitch

I mean, who would wanna hide this?

I will never, ever, ever, ever, ever be your side chick

I put the si-i-ing in single

Ain't worried 'bout a ri-i-ing on my finger

So you can tell your friend, "Shoot your shot" when you see him
It's okay, he already in my DMs

[Chorus]

[x2]

I'ma hit you back in a minute (Yeah, yeah)

[Chorus]

With the bomb lighting, Minnesota Vikings
Yee, eh, yeah, yeah, yeah

You Were Meant For Me – Jewel

I hear the clock, it's six A.M
I feel so far from where I've been
I got my eggs, and my pancakes, too-oo
I got my maple syrup, everything but you
I break the yolks and make a smiley fa-ace
I kinda like it in my brand new place
I wipe the spots up off the mirror
Don't leave my keys in the door
I never put wet towels on the floor anymore 'cause...

[Chorus:]

Dreams last for so long, even after you're goooone

I know that you love me

And so-on you will seeeee

You were meant for me, and I was meant for yo-oooo

I called my momma, she was out for a walk
Consoled a cup of coffee but it didn't wanna talk
So I- picked up the paper, it was more bad news
More hearts being broken or people being used
Put on my coat in the pourin' rain
I saw a movie and it just wasn't the same
Cause- it was happy or- I was sa-ad, and
It made me miss you oh so bad 'cause...

[Chorus]

I go about my business, doin' fine
Besides what would I say if I had you on the line?
Same old story, not much to say
Hearts are broken, everyday

I brush my teeth, I put the cap back on
I know you hate it- when I leave the light on
I pick up a cup and
Turn the sheets down, and
Take a deep breath
And a good look arooound
Put on my pj's and hop into be-e-ed
I'm half alive but I feel mostly dead
I- try and tell myself it'll all be alright, I
Shouldn't think anymore tonight 'cause...

[Chorus]

Yeah, you were meant for me
And I was meant for you

Hello – Adele

Hello, it's me
I was wondering if after all these years
You'd like to meet
To go over everything
They say that time's supposed to heal ya
But I ain't done much healing

Hello, can you hear me?
I'm in California dreaming about who
We used to be
When we were younger and free
I've forgotten how it felt
Before the world fell at our feet

There's such a difference
Between u-u-u-us
And a million miles

Hello from the other siiiii-ide
I must have called a thousand tiiii-i-i-imes
To tell you I'm sorry
For everything that I've done
But when I call, you never
seem to be home

Hello from the outsiiii-ide
At least I can say that I've triiii-ied
To tell you I'm sorry
For breaking your heart
But it don't matter, it clearly
Doesn't tear you apart
Anymore

Hello, how are you?
It's so typical of me to talk
About myself, I'm sorry
I hope
That you're well
Did you ever make it out of that town
Where nothing ever happened?

It's no secret
That the both of u-u-u-us
Are running out of tiiiiime

So hello from the other side (other side)
I must have called a thousand times
(Thousand times)
To tell you I'm sorry
For everything that I've done
But when I call
You never seem to be home

Hello from the outside (outside)
At least I can say that I've tried
(I've tried)
To tell you I'm sorry
For breaking your heart
But it don't matter
It clearly doesn't tear you apart
Anymo-o-ore

Woo-oo-oo-oo-oooh, anymore
Ooooh-oo-oo-oo-oooh, anymore

I wanted you bad, I'm so through with that
'Cause honestly, you turned out to be the best thing I never had
I said, you turned out to be the best thing I never had
And I'll never be the best thing you never had
Oh baby, I-i-i bet it sucks to be yo-o-o-ou right no-o-o-ow

I know you want me back
It's time to face the facts that I'm the one that's got awa-a-a-ay
Lord knows that it would take another place, another time
Another world, another life
Thank God, I found the good in goodbye, I used to want you so
bad

I'm so through with that
'Cause honestly, you turned out to be the best thing I never had
Oh, you turned out to be the best thing I never had
And I will always be the best thing you never had
Ooh, best thing you never had
I used to want you so ba-ad
I'm so through with tha-at
'Cause honestly, you turned out to be the best thing I never had
Oh, you turned out to be the best thing I never had
Ooh, I will never be the best thing you never had
Oh baby, I bet it sucks to be you right no-o-o-ow

What goes around, comes back around

[x3:]

What goes around, comes back around
(I bet it sucks to be you right now)

Dancing On My Own – Robyn

Somebody said you got a new friend
Does she love you better than I can?
There's a big black sky over my town
I know where you at, I bet she's around

Yeah, I know it's stupid, I just gotta see it for myself

[Chorus:]

I'm in the corner, watching you kiss her, oh oh oh
I'm right over here, why can't you see me, oh oh oh
I'm givin' it my all, but I'm not the girl you're takin' home
Ooh ooh ooh
I keep dancin' on my own
I keep dancin' on my own

I'm just gonna dance all night
I'm all messed up, I'm so outta line
Stilettoes and broken bottles
I'm spinnin' around in circles

[Chorus]

So far away, but still so near
The lights go on, the music dies
But you don't see me standin' here, I just came to say goodbye

I'm in the corner, watching you kiss her, oh oh oh
I'm giving it my all, but I'm not the girl you're taking home, oh
oh oh
I keep dancing on my own, I keep dancing on my own

[Chorus]

I keep dancing on my own

Chain Of Fools – Aretha Franklin

[Chorus:]

Chain, chain, chain (Chain, chain, chain)
Chain, chain, chain (Chain, chain, chain)
Chain, chain, chain (Chain – chain – chain)
Chain of fo-ools

For five long ye-e-ears, I thought you were my ma-an
But I found out, lo-ove, I'm just a link in your chain
Oh, you got me where you want me
I ain't nothin' but your fo-ooooo
You treated me mean, o-oh, you treated me cru-uel

Chain, chain, chain (Chain, chain, chain)
Chain of fools

Every chain, has got a weak link
I might be weeeeak, child, but I'll give you strength, oh, hey
(Oo, oo, oo, oo) You told me to leave you alone
(Oo, oo, oo, oo) My father said, "come on home"
(Oo, oo, oo, oo) My doctor said, "take it easy"
(Oo, oo, oo, oo) Oh, but your loving is much too strong
Oo

I'm added to your chain, chain, chain (Chain, chain, chain)
Chain, chain, chain (Chain, chain, chain)
Chain, chain, chain (Chain - chain - chain)
Your chain of fools

Oh, one of these mornings, the chain is gonna break
But up until then, yeah, I'm gonna take all I can take, oh hey

[Chorus]

Oh!
Chain, chain, chain (-ain,-ain,-ain,-ain)
Chain, chain, chain (oh, oh)
Chain, chain, chain (-ain,-ain,-ain,-ain)
Your chain of fools, oh oh oh

Torn – Natalie Imbruglia

I thought I saw a man brought to life
He was warm, he came around and he was dignified
He showed me what it was to cry

Well, you couldn't be that man I adored
You don't seem to know, seem to care, what your heart is for
But I don't know him anymore

There's nothing where he used to lie
The conversation has run dry
That's what's going on, nothing's fine, I'm torn

[Chorus:]

I'm all out of faith, this is how I feel
I'm cold and I am shamed, lying naked on the floor
Illusion never changed, into something real
I'm wide awake and I can see the perfect sky is torn
You're a little late, I'm already torn

So I guess the fortune teller's right
Should have seen just what was there
And not some holy light
It's crawled beneath my veins, and now

I don't care, I have no luck, I don't miss it all that much
There's just so many things
That I can't touch, I'm torn

[Chorus]

Ooooh
Ooooh oooooh
Ooooh

There's nothing where he used to lie
My inspiration has run dry
That's what's going on
Nothing's right, I'm torn

[Chorus]

I'm all out of faith
This is how I feel
I'm cold and I'm ashamed
Bound and broken on the floor
You're a little late, I'm already torn, torn
Oh!

You Don't Know How It Feels – Tom Petty

Let me run with you tonight

Ooh-oo-oo-oo-oooh, anymore
Anymore, ooh

Hello from the other side (other side)
I must have called a thousand times
(Thousand times)
To tell you I'm sorry
For everything that I've done
But when I call
You never seem to be home

Hello from the outside (outside)
At least I can say that I've tried (I've tried)
To tell you I'm sorry
For breaking your heart
But it don't matter
It clearly doesn't tear you apart
Anymore

Mr. Brightside – The Killers

Coming out of my cage, and I've been doing just fine
Gotta gotta be down, because I want it all
It started out with a kiss, how did it end up like this
It was only a kiss, it was only a kiss
Now I'm falling asleep, and she's calling a cab
While he's having a smoke, and she's taking a drag
Now they're going to bed, and my stomach is sick
And it's all in my head, but she's touching his chest
Now, he takes off her dress
Now, let me go

I just can't look its killing me...and taking control

[Chorus:]

Jealousy, turning saints into the sea
Swimming through sick lullabies, choking on your alibis
But it's just the price I pay, destiny is calling me
Open up my eager eyes...cause I'm Mr Brightside

I'm coming out of my cage, and I've been doing just fine
Gotta gotta be down, because I want it all
It started out with a kiss, how did it end up like this
It was only a kiss, it was only a kiss
Now I'm falling asleep, and she's calling a cab
While he's having a smoke, and she's taking a drag
Now they're going to bed, and my stomach is sick
And it's all in my head, but she's touching his chest
Now, he takes off her dress
Now, let me go

'Cause I just can't look its killing me...and taking control

[Chorus]

I never... [x4]

I Will Survive – Gloria Gaynor

At first I was afraid, I was petrified
Kept thinking I could never live without you by my side
But then I spent so many nights thinking how you did me wrong
And I grew strong, and I learned how to get along

And so you're back, from outer space
I just walked in to find you here
With that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I'da known for just one second you'd be back to bother me

Go on now go, walk out the door
Just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did you think I'd crumble
Did you think I'd lay down and die

[Chorus:]

Oh no, not I, I will survive
Oh as long as I know how to love, I know I'll stay alive
I've got all my life to live, I've got all my love to give
And I'll survive, I will survive

(Hey-hey)

[Dance/rollerskate/spin]

It took all the strength I had not to fall apart
Kept trying hard to mend the pieces of my broken heart
And I spent oh so many nights just feeling sorry for myself
I used to cry, but now I hold my head up high

And you see me, somebody new
I'm not that chained up little person still in love with you
And so you felt like dropping in, and just expect me to be free
And now I'm saving all my lovin' for someone who's loving me

Go on now go, walk out the door
Just turn around now, 'cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Did you think I'd crumble, did you think I'd lay down and die

[Chorus]

Oh
Go on now go, walk out the door, just turn around now
'Cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Did you think I'd crumble
Did you think I'd lay down and die

[Chorus]

I will surviiiive

I'll take you on a moonlight ride
There's someone I used to see
But she don't give a damn for me

[Chorus 1]

But let me get, to the point, let's roll, another joooint
And turn the radio loud, I'm too alone, to be prooooud
You don't know how it feels, you don't know how it feels
To be meeeee-e-e

People come, people go
Some grow young, some grow cold
I woke up in between
A memory and a dream

[Chorus 2]

So let's get, to the point, let's roll, another joooooint
And let's heeeead on down the road
There's somewhere I gotta goooo
You don't know how it feels, you don't know how it feels
To be meeeee-e-e

[Instrumental break / guitar solo]

My old man was born to rock
He's still tryin' to beat the clock
Think of me what you will
I've got a little space to fill

[Chorus 2]

You don't know how it feels, you don't know how it feels
No, you don't know how it feels
To be meeeee-e-e

[Instrumental outro]

Against All Odds (Take a Look at Me Now) – Phil Collins

How can I just let you walk away
Just let you leave without a trace
When I stand here taking every breath
With you, ooh ooh
You're the only one
Who really knew me at all
How can you just walk away from me
When all I can do is watch you leave
Cause we've shared the laughter and the pain
And even shared the tears
You're the only one who really knew me at a-all

So take a look at me no-o-ow
Oh there's just an empty spa-ace
And there's nothing left here to remi-ind me
Just the memory of your face
Ooh take a look at me no-o-o-ow
Well there's just an empty spa-ace
And you coming back to me is against the odds
And that's what I've got to face

I wish I could just make you turn around
Turn around and see me cry
There's so much I need to say to you
So many reasons why
You're the only one who really knew me at all

So take a look at me no-o-o-ow
Well there's just an empty space
And there's nothing left here to remi-ind me
Just the memory of your face
Now take a look at me no-ow
'Cause there's just an empty spa-ace
But to wait for you, is all I can do
And that's what I've got to face

Take a good look at me no-o-o-o-ow
Cause I-i-i-i'll still be standing here
And you comin' back to me
Is against all odds
It's the chance I've gotta ta-aaaa-a-ake

Take a look at me now
