

# A PEOPLE'S CHOIR DC

## Breakup Songs IV

### February 14, 2018

I see you driving 'round town with the girl I love  
and I'm like, "FUCK YOU!" (ooo, ooo, oooo)  
I guess the change in my pocket wasn't enough  
I'm like, "FUCK YOU! And, uh, fuck her too."  
I said, "If I was richer, I'd still be with ya"  
Ha, now ain't that some shit? (Ain't that some shit?)  
And although there's pain in my chest, I still wish you the best  
With a..."FUCK YOU!" (ooo, ooo, ooo)

Yeah I'm sorry, I can't afford a Ferrari  
But that don't mean I can't get you there  
I guess he's an Xbox, and I'm more Atari  
But the way you play your game ain't fair

I pity the fo-ool, that falls in love with you  
(Oops, she's a golddigger) Well  
(Just thought you should know n-)  
Ooooo-ooooh, I've got some news for you (ha ha)  
Yeah, go run and tell your little boyfriend.

[Chorus]

Now I know, that I had to borrow  
Beg and steal and lie and cheat  
Trying to keep ya, trying to please ya  
'Cause being in love with your ass ain't cheap

I pity the fo-ool, that falls in love with you  
(Oh shit she's a golddigger) Well  
(Just thought you should know n-)  
Ooooo-ooooh, I've got some news for you (ha ha)  
Ooh, I really hate your ass right now.

[Chorus]

Now baby, baby, baby  
Why d'you wanna wanna hurt me so bad?  
(So bad, so bad, so bad)  
I tried to tell my mama but she told me  
"This is one for your dad." (Your dad, your dad, your dad)  
Yes she did

And I was like: UH! – Whhhhhy?  
Uh! – Whhhhhy?  
Uh! – Whhhhhy la-a-a-ady?  
Oh! – I love you. Oh! – I still love you.  
Oooooooh!

I see you driving 'round town with the girl I love  
Ugh, "FUCK YOU!"  
Ooo, ooo, oooo  
I guess the change in my pocket wasn't enough  
I'm like, "FUCK YOU!"  
And, uh, fuck her too."  
I said, "If I was richer, I'd still be with ya"  
Ha, now ain't that some shit? (Ain't that some shit?)  
And although there's pain in my chest, I still wish you the best  
With a..."FUCK YOU!" (ooo, ooo, ooo, hoo)

### Mr. Brightside – The Killers

Coming out of my cage, and I've been doing just fine  
Gotta gotta be down, because I want it all  
It started out with a kiss, how did it end up like this  
It was only a kiss, it was only a kiss  
Now I'm falling asleep, and she's calling a cab  
While he's having a smoke, and she's taking a drag  
Now they're going to bed, and my stomach is sick  
And it's all in my head, but she's touching his chest  
Now, he takes off her dress  
Now, let me go

I just can't look its killing me...and taking control

[Chorus:]  
Jealousy, turning saints into the sea  
Swimming through sick lullabies, choking on your alibis  
But it's just the price I pay, destiny is calling me  
Open up my eager eyes... 'cause I'm Mr Brightside

I'm coming out of my cage, and I've been doing just fine  
Gotta gotta be down, because I want it all  
It started out with a kiss, how did it end up like this  
It was only a kiss, it was only a kiss  
Now I'm falling asleep, and she's calling a cab  
While he's having a smoke, and she's taking a drag  
Now they're going to bed, and my stomach is sick  
And it's all in my head, but she's touching his chest  
Now, he takes off her dress  
Now, let me go

'Cause I just can't look its killing me...and taking control

[Chorus]

I never... [x4]

### Don't Speak – No Doubt

You and me...we used to be together, everyday together, always  
I really fe-e-eel that I'm losing my best friend  
I can't believe this could be the end  
It looks as though you're letting go  
And if it's real, well I don't want to know

[Chorus:]  
Don't speak, I know just what you're saying  
So please stop explaining  
Don't tell me cause it hurts  
Don't speak, I know what you're thinking  
I don't need your reasons  
Don't tell me cause it hurts

Our memories  
Well, they can be inviting, but some are altogether mighty  
Frightening  
As we die, both you and I  
With my head in my hands, I sit and cry

[Chorus]

It's all ending  
I gotta stop pretending who we are...  
You and me I can see us dying...are we?

[Chorus]

Don't tell me cause it hurts!

I know what you're saying  
So please stop explaining

Don't speak, don't speak, don't speak  
Oh, I know what you're thinking  
And I don't need your reasons

I know you're good, I know you're good, I know you're real good  
Oh, la la la la la la, la la la la la  
Don't, don't, uh uh  
Hush, hush darlin'  
Hush, hush darlin' Hush, hush  
don't tell me tell me cause it hurts  
Hush, hush darlin' Hush, hush darlin'  
Hush, hush don't tell me tell me cause it hurts

### King of Anything – Sarah Barielles

The original A People's Choir is a monthly group sing-along created by Paige Reitz, Adele Hauser, and Decoteau Wilkerson in Portland, Oregon. Every month, a theme is chosen and choir members (i.e., whoever wants to come) suggest songs via social media. The choir simply sings along to the sound recordings- anything goes! The choir began in 2011 out of nostalgia for communal singing. Since the first choir, A People's Choir has hosted choirs at PSU's Open Engagement, New York's Art in Odd Places festival, Last Thursdays on Alberta, PDX Farm Fiesta and monthly at their new venue, Crush Bar. They were also listed as one of the "Best of Portland" by the Willamette Week. Find out more about the Portland choir at: <https://www.facebook.com/APeoplesChoir>

The DC sing-along started in April 2014. You can keep track of events through email (send a note to the email below to get on the list), Twitter, or Facebook.

I Heard It Through The Grapevine – Marvin Gaye  
Gives You Hell – All American Rejects  
You Oughta Know – Alanis Morissette  
Irreplaceable – Beyoncé  
Tainted Love – Soft Cell  
Love is a Battlefield – Pat Benatar  
I Know – Dionne Farris  
Rolling in the Deep – Adele  
Tears Of A Clown – Smokey Robinson & the Miracles  
Total Eclipse of the Heart – Bonnie Tyler  
F\*ck You – CeeLo  
-- 10 Minute Intermission--  
Mr. Brightside – The Killers  
Don't Speak – No Doubt  
King of Anything – Sarah Barielles  
Un-Break My Heart – Toni Braxton  
You Give Love a Bad Name – Bon Jovi  
Ridin' Solo – Jason Derulo  
Good – Better Than Ezra  
Since U Been Gone – Kelly Clarkson  
Believe – Cher  
Here I Go Again – Whitesnake  
Good As Hell – Lizzo  
I Will Survive – Gloria Gaynor

Lyrics follow (provided for educational purposes, of course).

Tips:

[words in brackets are notes]

(words in parentheses are for singing)

words not in parentheses are also for singing,  
though this was probably intuitive.

## Heard It Through the Grapevine – Marvin Gaye

Oooh ooh, I bet you're wondering how I knew  
'Bout your plans to make me blue  
With some other guuuuy you knew before  
Between the two of us guys, you know I love you more  
It took me by surpri-i-ise, I must say  
When I found out yesterday, don't you know that

[Chorus:]

I heard it through the grapevine  
Not much longer would you be mine  
Oh, I heard it through the grapevine  
Oh, and I'm just about to lose my mind  
Honey, honey, well (heard it through the grapevine not much  
longer would you be my baby, doo doo doo do-doo doo)

I know a man ain't supposed to cry  
But these tears I can't hold inside  
Losing YOU would end my life you see  
'Cause you mean that much to me  
You could have to-ol'd me yourself  
That you lo-ove someone else  
Instead

[Chorus]

People say "believe ha-alf of what you see, son, and none of  
what you hear"  
But I can't HELP bein' confused  
If it's true please tell me dear: Do you pla-a-an to let me go  
For the other guy you loved before? Don't you know

[Chorus]

Honey, honey, I know...that you're lettin' me go  
Said I heard it through the grapevine  
Ooh, ooh, heard it through the grapevine

## Gives You Hell – All American Rejects

I wake up every evenin'  
With a big smile on my face, and it never feels out of place  
And you're still probably workin'  
At a nine to five pace, I wonder how bad that tastes

When you see my face  
Hope it gives you hell, hope it gives you hell  
When you walk my way  
Hope it gives you hell, hope it gives you hell

Now where's your picket fence, love  
And where's that shiny car? And did it ever get you far?  
You never seemed so tense love  
I've never seen you fall so hard  
Do you know where you are?

And truth be told, I miss you  
And truth be told, I'm lyin'

[Chorus:]

When you see my face  
Hope it gives you hell, hope it gives you hell  
When you walk my way  
Hope it gives you hell, hope it gives you hell  
If you find a man that's worth a damn and treats you well  
Then he's a fool, you're just as well  
Hope it gives you hell, I hope it gives you hell

Tomorrow you'll be thinking to yourself  
Yeah, where did it all go wrong? But the list goes on and on

And truth be told, I miss you  
And truth be told, I'm lying

Keep drinkin' coffee, stare me down across the table  
While I look outside

So many things I'd say if only I were able  
But I just keep quiet, and count the cars that pass by

You've got opinions, man, we're all entitled to 'em  
But I never asked

So let me thank you for your time  
And try not to waste any more of mine  
Get out of here fast

I hate to break it to you, babe  
But I'm not drowning  
There's no one here to save

[Chorus:]

Who cares if you disagree? You are not me  
Who made you king of anything?  
So you dare tell me who to be  
Who died and made you king of anything?

Oh oh oh oh oh

You sound so innocent, all full of good intent  
You swear you know best  
But you expect me to jump up on board with you  
And ride off into your delusional sunset

I'm not the one who's lost, with no direction oh  
But you'll never see

You're so busy makin' maps, with my name on them in all caps  
You've got the talkin' down  
Just not the listening, and

[Chorus]

All my life  
I've tried  
To make everybody happy while I  
Just hurt  
And hide  
Waitin' for someone to tell me it's my turn  
To deciiiiide

Oh, oh, oh, oh [x4]

[Chorus][x2]

Let me hold your crown, babe

Oh ooooh ooooh  
Ah ah ah ah ah

## Un-Break My Heart – Toni Braxton

Don't leave me in all this pain, don't leave me out in the rain  
Come back and bring back my smile  
Come and take these tears away  
I need your arms to hold me now  
The nights are so unkind  
Bring back those nights when I held you beside me

[Chorus:]

Un-break my heart  
Say you'll love me again  
Undo this hurt you caused when you walked out the door  
And walked out of my life  
Un-cry these tears  
I cried so many nights  
Un-break my heart  
My heart

Take back that sad word "good-bye"  
Bring back the joy to my life  
Don't leave me here with these tears  
Come and kiss this pain away  
I can't forget the day you left  
Time is so unki-i-nd  
And life is so cruel without you here beside me

[Chorus]

[Guitar]

Don't leave me in all this pain  
Don't leave me out in the rain  
Bring back the nights when I held you beside me

Un-break my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked out of my life  
Un-cry these tears  
I cried so many, many nights  
Oh un-break my

Un-break my heart oh baby  
Come back and say you love me  
Un-break my heart  
Sweet darlin'  
Without you I just can't go on  
Can't go on....

[I'm not sure what the backup singers are singing at the end, so feel free to ad-lib some quiet words to soothe Toni.]

### **You Give Love A Bad Name – Bon Jovi**

Shot through the heart and you're to blame  
Darlin' you give love a bad name

[Guitars/individual pump-up time]

An angel's smile is what you sell  
You promise me heaven then put me through hell  
Chains of love, got a hold on me  
When passion's a prison you can't break free

Woh-oh oh! You're a loaded gun...yeah  
Woh-oh oh! There's nowhere to run  
No one can save me, the damage is done

[Chorus:]

Shot through the heart and you're to blame  
You give love a bad name (bad name)  
I play my part and you play your game  
You give love a bad name (bad name)  
Hey, you give lo-ooove

A bad name

Paint your smile on your lips  
Blood red nails on your fi-ingertips  
A school boy's dream, you act so shy  
Your very first kiss was your first kiss goodbye

Whoa-oh oh! You're a loaded gun  
Whoa-oh oh! There's nowhere to run  
No one can save me, the damage is done

[Chorus]

Oh

[Guitar solo]

[Chorus]

Now you'll never see, what you've done to me  
You can take back your memories, they're no good to me  
And here's to all your lies, you can look me in the eyes  
With the sad, sad look that you wear so well

[Chorus]

When you see my face  
Hope it gives you hell, hope it gives you hell  
When you walk my way  
Hope it gives you hell, hope it gives you hell  
When you hear this song and you sing along but you never tell  
Then you're the fool, I'm just as well  
Hope it gives you hell

When you hear this song, I hope that it will give you hell  
You can sing along, I hope that it puts you through hell

### **You Oughta Know – Alanis Morissette**

I want you to know, that I'm happy for you  
I wish nothing but the best for you both

An older version of me, is she perverted like me?  
Would she go down on you in a theater?  
Does she speak eloquently?  
And would she have your baby?  
I'm sure she'd make a really excellent mother

'Cause the love that you gave, that we made  
Wasn't able to make it enough for you to be open wide,  
No

And every time you speak her name  
Does she know how you told me you'd hold me until you died?  
'Til you died? But you're still alive

[Chorus:]

And I'm here to remind you  
Of the mess you left when you went away  
It's not fair to deny me  
Of the cross I bear that you gave to me  
You, you, you oughta know

You seem very well, things look peaceful  
I'm not quite as well, I thought you should know

Did you forget about me, Mr. Duplicity?  
I hate to bug you in the middle of dinner  
It was a slap in the face, how quickly I was replaced  
And are you thinking of me when you fuck her?

'Cause the love that you gave, that we made  
Wasn't able to make it enough for you to be open wide, no  
And every time you speak her name  
Does she know how you told me you'd hold me until you died?  
'Til you died? But you're still alive

[Chorus]

[Quiet interlude and moaning/ahh-ing]

'Cause the joke that you laid in the bed that was me,  
and I'm not going to fade as soon as you close your eyes,  
and you know it  
And everytime I scratch my nails down someone else's back,  
I hope you feel it - well, can you feel it?

Well, I'm here to remind you  
Of the mess you left when you went away  
It's not fair to deny me  
Of the cross I bear that you gave to me  
You, you, you oughta know

I'm here to remind you  
Of the mess you left when you went away  
It's not fair to deny me  
Of the cross I bear that you gave to me  
You, you, you oughta know

### Irreplaceable – Beyoncé

To the left, to the left  
To the left, to the left (mmmmmm)

To the left, to the left, everything you own in the box to the left  
In the closet that's my stuff  
Yes, if I bought it, please don't touch

And keep talking that mess that's fine  
But could you walk and talk at the same time  
And, it's my name that's on that Jag  
So come move your bags, let me call you a cab

Standing in the front yard, tellin' me, how I'm such a fool  
Talkin' 'bout, I'll never ever find a man like you  
You got me twisted

[Chorus:]

You must not know about me, you must not know about me  
I could have another you in a minute  
Matter of fact, he'll be here in a minute, baby  
You must not know about me, you must not know about me  
I can have another you by tomorrow  
So don't you ever for a second get to thinking  
You're irreplaceable

So go ahead and get gone  
Call up that chick and see if she's home  
Oops, I bet you thought, that I didn't know  
What did you think I was putting you out for  
Because you was untrue  
Rollin' her around in the car that I bought you  
Baby drop them keys  
Hurry up before your taxi leaves

Standing in the front yard, tellin' me, how I'm such a fool  
Talkin' 'bout, I'll never ever find a man like you  
You got me twisted

[Chorus]

So since I'm not your everything, how about I'll be nothing  
Nothing at all to you  
Baby I won't shed a tear for you  
I won't lose a wink of sleep  
'Cause the truth of the matter is, replacing you is so easy

To the left, to the left  
To the left, to the left (mmmmmm)  
To the left, to the left  
Everything you own in the box to the left  
To the left, to the left  
Don't you ever for a second get to thinking  
You're irreplaceable

You must not know about me, you must not know about me  
I could have another you in a minute  
Matter of fact, he'll be here in a minute, baby  
You must not know about me, you must not know about me  
I can have another you by tomorrow  
So don't you ever for a second get to thinking

You must not know about me, you must not know about me  
I could have another you in a minute  
Matter of fact, he'll be here in a minute  
You can pack all your bags, we're finished  
'Cause you made your bed, now lay in it

Ooooooooooh!

[Chorus][x2]

[x3]

(Whoa oh oh oh oh oh oh oh) You give lo-o-ove  
(Whoa oh oh oh oh oh oh oh oh) You give lo-ove (bad name)

### Ridin' Solo – Jason Derulo

Your love made me blind [x4]  
Ooh ooh

Yeah, yeah, yeah, yeah

I'm feeling like a star, you can't stop my shine,  
I'm loving cloud nine, my head's in the sky,  
I'm solo, I'm riding solo,  
I'm riding solo, I'm riding solo, solo.

Yeah, I'm feeling good tonight,  
finally doing me and it feels so right, oh,  
Time to do the things I like,  
going to the club everything's alright, oh

No one to answer to, no one that's gonna argue, no,  
And since I got the hold off me,  
I'm living life now that I'm free, yeah

Telling me to get myself together  
now I got myself together, yeah\*  
Now I made it through the weather  
better days are gonna get better  
I'm so sorry that it didn't work out - I'm moving on,  
I'm so sorry but it's over now,  
the pain is gone

[Chorus:]

I'm putting on my shades to cover up my eyes,  
I'm jumping in my ride, I'm heading out tonight,  
I'm solo, I'm riding solo, I'm riding solo, I'm riding solo, solo.  
I'm feeling like a star, you can't stop my shine,  
I'm loving cloud nine, my head's in the sky.  
I'm solo, I'm riding solo, I'm riding solo, I'm riding solo, solo.

Now I'm feeling how I should,  
never knew single could feel this good, oh  
Stop playing miss understood,  
back in the game, who knew I would, oh  
So flex how I spread my wings,  
loving myself makes me wanna sing, oh  
Oh yeah, yeah, yeah, yeah, yeah

Telling me to get myself together\*  
now I got myself together, yeah,  
Now I made it through the weather  
better days are gon' get better  
I'm so sorry that it didn't work out, I'm moving on,  
I'm so sorry but it's over now the pain is gone,

[Chorus]

(Ridin' solo) Solooo  
I'm riding solo  
(Solo, solo, solo) Yeah

It's like  
S... O... L... O... [x3]

Living my life ain't got stress no more

[Chorus]

I'm riding solo, I'm riding solo, solo.  
I'm riding solo, solo

[\*I guess we got the PG version of this video]

### Good – Better Than Ezra

Lookin' around the house  
Hidden behind the window and the door  
Searching for signs of life  
But there's nobody home

Well, maybe I'm just too sure  
Or maybe I'm just too frightened by the sound of it  
Pieces of note fall down, but the letter said

[Chorus:]

Aha, it was good livin' with you  
Aha, it was good, ah-ah-ah-ah  
Aha, it was good livin' with you  
Aha, it was good  
Ah-ah-ah

Good, good, good, good  
Good, good

Sittin' around the house  
Watching the sun trace shadows on the floor  
Searchin' for signs of life, but there's nobody home

Well, maybe I'll call or write you a letter  
Now maybe we'll see on the fourth of July  
But I'm not too sure, and I'm not too proud  
Well I'm not sure, and I'm not too proud to say

[Chorus]

Goooooooood  
So goo-od

[Solo]

[Chorus]

Ah-ah-ah-oh-waa  
Yeah, you were so good  
Yeah, you were so good

### Since U Been Gone – Kelly Clarkson

Here's the thing we started out friends,  
It was cool but it was all pretend  
Yeah yeah...since you been gone

You dedicated you took the time, wasn't long till I called you  
mine  
Yeah yeah...since you been gone

And all you'd ever hear me say, is how I pictured me with you  
That's all you'd ever hear me say

But since you been gone  
I can breathe for the first time  
I'm so moving on  
Yeah, yeah  
Thanks to you  
Now I get  
What I want  
Since you been gone

How can I put it? You put me on  
I even fell for that stupid love song  
Yeah yeah...since you been gone

I can have another you by tomorrow  
Don't you ever for a second get to thinking  
You're irreplaceable

### Tainted Love – Soft Cell (Covering Gloria Jones)

[Look up Gloria Jones' version! It's great.]

Sometimes I feel I've got to  
Run away, I've got to  
Get away from the pain you drive into the heart of me  
The love we share (woo oh oh oh)  
Seems to go nowhere  
And I've lost my light  
For I toss and turn, I can't sleep at night

[Chorus:]

Once I ran to you (I ran), now I'll run from you  
This tainted love you've given, I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love (woo oh oh oh)  
Tainted love

Now I know I've got to  
Run away, I've got to  
Get away, you don't really want any more from me  
To make things right  
You need someone to hold you tight  
And you think love is to pray  
But I'm sorry, I don't pray that way

[Chorus]

Don't touch me, please  
I cannot stand the way you tease  
I love you though you hurt me so  
Now I'm gonna pack my things and go

Tainted love (woo oh oh oh) [x4]

Touch me, baby, tainted love (touch me, tainted love)  
Touch me, baby, tainted love (touch me, tainted love)  
Tainted love (woo oh oh oh) [x4]

### Love is a Battlefield - Pat Benatar

(We are young, we are young) We are young  
(Heartache to heartache) Heartache to heartache  
(We stand) We stand

(No promises, No promises) No promises  
(No demands) No demands  
(Love is a battlefield) Love is a battlefield  
Whoooo-oh-oh....

We are strong  
No one can tell us we're wrong  
Searching our hearts for so long  
Both of us knowing  
Love is a battlefield

You're begging me to go, then making me stay  
Why do you hurt me so bad  
It would help me to know, do I stand in your way  
Or am I the best thing you've had

Believe me, believe me, I can't tell you why  
But I'm trapped by your love, and I'm chained to your side

We are young - heartache to heartache we stand  
No promises, no demands  
Love is a battlefield

We are strong  
No one can tell us we're wrong  
Searching our hearts for so long  
Both of us knowing  
Love is a battlefield

When I'm losing control, will you turn me away  
Or touch me deep inside  
And when all this gets old, will it still feel the same  
There's no way this will die  
But if we get much closer, I could lose control  
And if your heart surrenders, you'll need me to hold

We are young  
Heartache to heartache we stand  
No promises  
No demands  
Love is a battlefield

We are strong  
No one can tell us we're wrong  
Searching our hearts for so long  
Both of us knowing  
Love is a battlefield

### I Know – Dionne Farris

I know what you're doing, yea-eah  
I know why you dialed my number  
I know what you're doing, yea-eah  
I know why you ca-a-a-are

I know what you're doing, yea-eah  
I know why you say you love me  
I know what you're doing, yea-eah  
And I don't think it's fa-a-a-air

I know why you dialed my number  
And I know why you say you're mi-i-i-ine  
I know what you're doin'  
And it's not gonna work this ti-i-i-i-i-ime  
Not gonna work this ti-i-i-i-i-ime

I know what you're doin', yea-eah  
I could never sing in that key  
I know what you're doing, yea-eah  
And you're the one to bla-a-a-ame

I know what you're doing, yea-eah  
I know why you can't forgive me  
I know why you're singin' lost love  
The lyrics haven't cha-a-a-anged

I can recognize the symptoms  
You should know I've changed my mi-i-i-ind  
I know what you're doing  
And it's not gonna work this tiiiiiiii-ime  
Hey, hey, heeeey  
Said it's not gonna work this ti-i-i-i-i-ime  
Not gonna work this ti-i-i-i-i-ime  
Not gonna work this ti-i-i-i-i-ime

I know what you're doin'g, baby  
I know why you call my na-ame  
I know why you say you love me  
But I can't say the sa-a-ame

I can recognize the symptoms  
(I can recognize the symptoms)  
You should know I've changed my mi-i-i-ind  
I know what you're doin'  
And it's not gonna work this ti-i-i-i-i-ime  
Yeah, yeah, yeah

How come I'd never hear you say  
I just wanna be with you  
I guess you never felt that way

But since you been gone  
I can breathe for the first time  
I'm so moving on  
Yeah, yeah  
Thanks to you  
Now I get (I get) what I want  
Since you been gone

You had your chance you blew it  
Out of sight, out of mind  
Shut your mouth I just can't take it  
Again and again and again and again

Since you been gone  
I can breathe for the first time  
I'm so moving on  
Yeah, yeah  
Thanks to you (thanks to you)  
Now I get, I get what I want

I can breathe for the first time  
I'm so moving on  
Yeah, yeah

Thanks to you (thanks to you)  
Now I get (I get)  
You should know (you should know)  
That I get, I get what I want

Since you been gone [x3]

### Believe – Cher

After love [x15 or so]

No matter how hard I try  
You keep pushing me aside  
And I can't break through  
There's no talkin' to you

So sa-a-ad that you're leavin'  
Takes ti-i-ime to believe it  
But after all is said and done  
You're going to be the lonely one, oh-oh

[Chorus:]

Do you believe in life after love (love, after love, after love)  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love (love, after love, after love)  
I can feel something inside me say  
I really don't think you're strong enough, no

What am I supposed to do  
Sit around and wait for you  
Well, I can't do that  
There's no turning ba-a-a-ack  
I need ti-i-ime to move on, I need lo-o-ove to feel strong  
'Cause I've had time to think it through  
And maybe I'm too good for you  
Ohh oh

[Chorus]

Well, I know that I'll get through thi-is  
'Cause I know that I am stro-o-ong  
And I don't need you anymore, oh I don't need you anymo-ore  
I-I-I don't need you anymore  
No, I don't need you anymo-ore

[Chorus][x2]

## Whitesnake – Here I Go Again

I don't know where I'm goin'  
But I sure know where I've been  
Hanging on the promises in songs of yesterday  
An' I've made up my mind  
I ain't wasting no more time  
But here I go again  
Here I go again

Though I keep searching for an answer,  
I never seem to find what I'm looking for  
Oh Lord, I pray you give me strength to carry on,  
'Cause I know what it me-e-eans  
To walk along the lonely street of dreams

[Chorus:]

Here I go again on my own  
Goin' down the only road I've ever known  
Like a drifter I was born to walk alone  
But I've made up my mind  
I ain't wastin' no more time

I'm just another heart in need of rescue  
Waitin' on love's sweet charity  
An' I'm gonna hold on  
For the rest of my days  
'Cause I know what it means  
To walk along the lonely street of dreams

[Chorus]

But, here I go again  
Here I go again  
Here I go aga-a-a-a-in  
Here I go – OOOOOO

[Guitar solo]

'Cause I know what it me-e-eans  
To walk along the lonely street of dreams

[Chorus][x2]

'Cause I know what it means  
To walk along the lonely street of dreams

[Chorus]

'Cause I know what it means  
To walk along the lonely street of dreams

And here I go again on my own  
Goin' down the only road I've ever known

## Good As Hell – Lizzo

I do my hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)  
Hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)

Woo child, tired of the bullshit  
Go and dust your shoulders off, keep it movin'  
Yes, lord, trying to get some new shit  
In this when where goin' to the pool shit

Come now, come dry your eyes  
You know you a star, you can touch the sky  
I know that it's hard but you have to try  
If you need advice let me simplify

If he don't love you anymore  
Just walk your fine ass out the door

## Rolling in the Deep – Adele

There's a fire, starting in my heart  
Reaching a fever pitch, it's bringing me out the dark  
Finally, I can see you crystal clear  
Go 'head and sell me out and I'll lay your shit bare  
See how I leave with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch  
And it's bringing me out the dark

The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love, they leave me breathless  
I can't help feeling

[Chorus:]

We could have had it all  
(You're gonna wish you, never had met me)  
Rolling in the deeee-e-ep  
(Tears are gonna fall, rolling in the deep)  
You had my heart insiide (you're gonna wish you)  
Of your hand (never had met me)  
And you played it (tears are gonna fall)  
To the be-e-e-eat (rolling in the deep)

Baby, I have no story to be told  
But I've heard one on you  
And I'm gonna make your head burn  
Think of me in the depths of your despair  
Make a home down there, as mine sure won't be shared

(You're gonna wish you) The scars of your love  
(Never had met me) Remind me of us  
(Tears are gonna fall) They keep me thinking  
(Rolling in the deep) That we almost had it all

(You're gonna wish you) The scars of your love  
(Never had met me) They leave me breathless  
(Tears are gonna fall) I can't help feeling  
(Rolling in the deep)

[Chorus]

We could have had it all  
Rolling in the deeee-e-ep  
You had my heart insiiiiide of your hand  
But you played it, with a beating

Throw your soul through every open door (oh woah)  
Count your blessings to find what you look for (wo-o-o-oh)  
Turn my sorrow into treasured gold (oh woah)  
You'll pay me back in kind and reap just what you so-ow

(You're gonna wish you never had met me)  
We could have had it all  
(Tears are gonna fall, rolling in the deep)  
We could have had it all  
(You're gonna wish you never had met me)  
It all, it all, it all (Tears are gonna fall, rolling in the deep)

We could have had it aaaa-a-all  
(You're gonna wish you, never had met me)  
Rolling in the deeee-e-ep  
(Tears are gonna fall, rolling in the deep)

You had my heart insiide (you're gonna wish you)  
Of your hand (never had met me)  
And you played it (tears are gonna fall)  
To the be-e-e-eat (rolling in the deep)

We could have had it all  
'You're gonna wish you never had met me)  
Rolling in the deep (Tears are gonna fall, rolling in the deep)

You had my heart inside of your hand (You're gonna wish you  
never had met me)

But you played it, you played it, you played it  
You played it to the beat.

### **Tears Of A Clown – Smokey Robinson & The Miracles**

Oh yeah, yeah, yeah  
Now if there's a smile on my face  
It's only there trying to fool the public  
But when it comes down to fooling you  
Now honey that's quite a different subject  
(Ooh ooh ooh ooh) But don't let my glad expression  
(Ooh ooh ooh ooh) Give you the wrong impression  
Really I'm sad (sad, sad, sad, sad)  
Oh I'm sadder than sad (I hurt so bad)  
You're gone and I'm hurtin' so bad (I pretend to be glad)  
Like a clown I pretend to be glad (sad, sad, sad, sad)

Now there's some sad things known to man  
But ain't too much sadder than  
The tears of a clown, when there's no one around

Mmm mm mm  
Oh yeah baby

Now if I appear to be carefree  
It's only to camouflage my sadness  
And honey to shield my pride I try  
To cover this hurt with a show of gladness  
(Ooh ooh ooh ooh) But don't let my show convince you  
(Ooh ooh ooh ooh) That I've been happy since you

Decided to go (why did you go)  
Oh I need you so (I need you so)  
I'm hurt and I want you to know (want you to know)  
But for others I put on a show (it's just a show)  
Ooh ooh ooh oh

Now there's some sad things known to man  
But ain't too much sadder than  
The tears of a clown  
When there's no one around  
Oh yeah

Just like Pagliacci\* did  
I try to keep my sadness hid

[\*characters in the opera Pagliacci are comedians/clowns who  
hide their hurt and anger behind empty smiles]

Smiling in the public eye  
But in my lonely room I cry  
The tears of a clown  
When there's no one around  
Oh yeah baby

Now if there's a smile on my face  
Don't let my glad expression (tears of a clown)  
Give you the wrong impression  
Don't let this smile I wear (tears of a clown)  
Make you think that I don't care  
When really I'm sad, I'm hurting so bad

### **Total Eclipse Of The Heart – Bonnie Tyler**

(Turn around) Every now and then I get a little bit lonely  
And you're never coming 'round  
(Turn around) Every now and then I get a little bit tired  
Of listening to the sound of my tears  
(Turn around) Every now and then I get a little bit nervous

I do my hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)  
Hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)  
(feelin' good as hell)  
Baby how you feelin'? (feelin' good as hell)

Woo girl, need to kick off your shoes  
Gotta take a deep breath, time to focus on you  
All the big fights, long nights that you been through  
I got a bottle of tequila I been saving for you

Boss up and change your life, you can have it all, no sacrifice  
I know he did you wrong, we can make it right  
So go and let it all hang out tonight

'Cause he don't love you anymore  
So walk your fine ass out the door

And do your hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)  
Hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)  
Hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)  
Hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)

Mmm...yeah...alright  
Listen, if he don't love you anymore  
Then walk your fine ass out the door

And do your hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)

[x3]  
Hair toss, check my nails  
Baby how you feelin'? (feelin' good as hell)  
(feelin' good as hell)  
Baby how you feelin'? (feelin' good as hell)

### **I Will Survive – Gloria Gaynor**

At first I was afraid  
I was petrified  
Kept thinking I could never live  
Without you by my side  
But then I spent so many nights  
Thinking how you did me wrong  
And I grew strong  
And I learned how to get along

And so you're back  
From outer space  
I just walked in to find you here  
With that sad look upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I'da known for just one second  
You'd be back to bother me

Go on now go walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die

[Chorus:]  
Oh no, not I, I will survive  
Oh as long as I know how to love, I know I'll stay alive  
I've got all my life to live, I've got all my love to give  
And I'll survive, I will survive

(Hey-hey)

[Dance/rollerskate/spin]

It took all the strength I had  
Not to fall apart  
Kept trying hard to mend  
The pieces of my broken heart  
And I spent oh so many nights  
Just feeling sorry for myself  
I used to cry  
But now I hold my head up high

And you see me  
Somebody new  
I'm not that chained up little person  
Still in love with you  
And so you felt like dropping in  
And just expect me to be free  
And now I'm saving all my lovin'  
For who's loving me

Go on now go  
Walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die

[Chorus]

Oh

Go on now go  
Walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die

[Chorus]

I will surviiiiive

That the best of all the years have gone by  
(Turn around) Every now and then I get a little bit terrified  
And then I see the look in your eyes

(Turn around, bright eyes!) Every now and then I fall apart  
(Turn around, bright eyes!) Every now and then I fall apart

(Turn around) Every now and then I get a little bit restless  
And I dream of something wild

(Turn around) Every now and then I get a little bit helpless  
And I'm lying like a child in your arms

(Turn around) Every now and then I get a little bit angry  
And I know I've got to get out and cry

(Turn around) Every now and then I get a little bit terrified  
But then I see the look in your eyes

(Turn around, bright eyes!) Every now and then I fall apart  
(Turn around, bright eyes!) Every now and then I fall apart

[Chorus:]

And I need you now tonight, and I need you more than ever  
And if you only hold me tight, we'll be holding on forever  
And we'll only be making it right, 'cause we'll never be wrong  
Together we can take it to the end of the line  
Your love is like a shadow on me all of the time  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight  
Forever's going to start tonight  
Forever's going to start tonight

Once upon a time I was falling in love, now I'm only falling apart  
There's nothing I can do, a total eclipse of the heart

Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say, a total eclipse of the heart

(Turn around, bright eyes!) Every now and then I fall apart  
(Turn around, bright eyes!) Every now and then I fall apart

Turn around, every now and then I know you'll  
never be the boy you always wanted to be

Turn around, every now then I know you'll  
always be the only boy who wanted me the way that I am

Turn around, every now and then I know  
there's no one in the universe as  
magical and wondrous as you

Turn around, every now and then I know  
there's nothing any better  
And there's nothing that I just wouldn't do

Turn around bright eyes, every now and then I fall apart  
Turn around bright eyes, every now and then I fall apart

[Chorus]

Once upon a time I was falling in love  
But now I'm only falling apart  
Nothing I can say  
A total eclipse of the heart  
A total eclipse of the heart  
A total eclipse of the heart  
Turn around bright eyes

**Fuck You – CeeLo Green**

[Earmuffs. Feel free to sing "forget you" if that's more your speed.]

[Chorus:]
