

# Our 50th Sing-Along!

## A PEOPLE'S CHOIR DC The 5th Breakup February 12, 2019

I can't gi-iii-i-i-ive, I can't give anymoooor

Well, I can't forget this evenin'  
Or your face as you were leavin'  
But I guess that's just the way the story go-o-o-oes  
You always smile but in your eyes  
Your sorrow shooo-o-o-ows  
Ye-es, it sho-o-o-o-ooo-o-o-o-o-ooows

I can't liii-i-i-ive (No, can't live)  
If livin' is without yooo-o-ou (No, I can't live)  
I can't li-iiii-i-i-ive  
I can't give anymo-o-ore  
I can't li-i-iiii-i-i-ive (No, can't live)  
If living is without yooo-o-ou (No, I can't live)  
I can't li-i-iiii-i-i-ive  
I can't give anymo-o-oooo-o-o-ore

### Turn to Stone – Electric Light Orchestra

The city streets are empty now  
(The lights don't shine no moooor)  
And so the songs are way down low (Turnin', turnin', turnin')  
A sound that flows into my mind (The echoes of the daylight)  
Of everything that is alive (In my blue world)

[Chorus:]  
I turn to stone, when you are gone, I turn to stone  
Turn to stone  
When you comin' home?  
I can't go on

The dying embers of the night (A fire that slowly fades till dawn)  
Still glow upon the wall so bright (Turnin', turnin', turnin')  
The tired streets that hide away  
(From here to everywhere they go)  
Roll past my door into the day, in my blue world

[Chorus]

Turn to stone, when you are gone, I turn to stone

[FAST:]  
Yes, I'm turnin' to stone, 'cause you ain't comin' home  
Why ain't you comin' home, if I'm turnin' to stone  
You've been gone for so long and I can't carry on  
Yes, I'm turnin', I'm turnin', I'm turnin' to stone

The dancing shadows on the wall (The two-step in the haaaall)  
Are all I've seen since you've been gone (Turnin', turnin', turnin')  
Through all I sit here and I wait (I turn to stone, I turn to stone)  
You will return again someday, in my blue world

[Chorus]

Turn to stone, when you are gone, I turn to stone

[Chorus]

Turn to stone, when you are gone, I turn to stone

[Outro]

### Next Girl – The Black Keys

[Note: The distracting yellow text at the bottom of the screen is on the actual video, and describes the apparently true story of how much the band hated this video, and required the disclaimer.]

Well the look on the cake it ain't, it ain't always the taste  
My ex-girl she had such a, such a beautiful face  
I wanted love, but not for myself  
But for the girl so she could, so she could love herself

Oh my next girl  
Will be nothing like my ex-girl  
I made mistakes back then  
I will never do it again  
Oh my next girl  
She will be nothing like my ex-girl  
It was a painful dance  
Now I- I got a second chance, yeah

Oh her beautiful face and her  
And her wicked ways  
And I am payin' for her beautiful face every day  
All that work over  
Over so much time if I  
If I think too hard I might lose my mind

Oh my next girl  
Will be nothing like my ex-girl  
I made mistakes back then  
I'll never do it again  
With my next girl  
She will be nothing like my ex-girl  
That was a painful dance  
And I, I got a second chance

Oh my next girl  
Yeah  
My next girl

### **Bulletproof – La Roux**

Been there, done that, messed around  
I'm havin' fun, don't put me down  
I'll never let you sweep me off my feet  
I won't let you in again  
The messages I've tried to send  
My information's just not goin' in  
Burnin' bridges shore to shore  
I'll break away from something more  
I'm not turned on to love until it's cheap  
Been there, done that, messed around  
I'm havin' fun, don't put me down  
I'll never let you sweep me off my feet

[Chorus:][x2]  
This time, baby, I'll be  
Bulletproof

I won't let you turn around  
And tell me now I'm much too proud  
To walk away from something when it's dead  
Do, do, do your dirty words  
Come out to play when you are hurt?  
There's certain things that should be left unsaid

Tick, tick, tick, tick on the watch  
And life's too short for me to stop  
Oh baby, your time is running out  
I won't let you turn around  
And tell me now I'm much too proud  
All you do is fill me up with doubt

[Chorus][x2]

[x2]  
This tiiiime  
I'll beeee  
Bulleeeet  
Proooof

[Dance break]

[Chorus][x2]

The original A People's Choir is a monthly group sing-along created by Paige Reitz, Adele Hauser, and Decoteau Wilkerson in Portland, Oregon. Every month, a theme is chosen and choir members (i.e., whoever wants to come) suggest songs via social media. The choir simply sings along to the sound recordings- anything goes! The choir began in 2011 out of nostalgia for communal singing. Since the first choir, A People's Choir has hosted choirs at PSU's Open Engagement, New York's Art in Odd Places festival, Last Thursdays on Alberta, PDX Farm Fiesta and monthly at their new venue, Crush Bar. They were also listed as one of the "Best of Portland" by the Willamette Week. Find out more about the Portland choir at: <https://www.facebook.com/APeoplesChoir>

The DC sing-along started in April 2014. You can keep track of events through email (send a note to the email below to get on the list), Twitter, or Facebook.

## Say My Name – Destiny's Child

[Chorus:]

Say my name, say my name  
When no one is around you say, "baby I love you"  
If you ain't runnin' game  
Say my name, say my name  
You actin' kinda shady, ain't callin' me baby  
Why the sudden change?  
Say my name, say my name  
If no one is around you say, "baby I love you"  
If you ain't runnin' game  
Say my name, say my name  
You actin' kinda shady, ain't callin' me baby  
Better say my name

Any other day  
I would call, you would say,  
"Baby, how's your day?"  
But today, it ain't the same  
Every other word is "Uh huh", "Yeah, okay"  
Could it be that you  
are at the crib with another lady

If you took it there  
First of all let me say  
I am not the one to sit around and be played  
So prove yourself to me  
I'm the girl that you claim  
Why don't you say the things  
That you said to me yesterday

I know you say that I am assuming things  
Something's going down, that's the way it seems  
Shouldn't be no reason why you're acting strange  
If nobody's holding you back from me  
'Cause I know how you usually do  
Where you're saying everything to me times two  
Why can't you just tell the truth  
If somebody's there, then tell me who

[Chorus]

What is up with this  
Tell the truth, who you with  
How would you like it if I came over with my clique  
Don't try and change it now  
Say you've gotta bounce  
When two seconds ago,  
Said you just got in the house  
It's hard to believe that you are at home by yourself  
When I just heard the voice, heard the voice of someone else  
Just this question why do you feel you got to lie?  
Getting caught up in your game  
When you can not say my name

I know you say that I am assuming things  
Something's going down, that's the way it seems  
Shouldn't be no reason why you're acting strange  
If nobody's holding you back from me  
'Cause I know how you usually do  
Where you're saying everything to me times two  
Why can't you just tell the truth  
If somebody's there, then tell me who

[Chorus]

Where my ladies at  
(Yea yea yea yea yea yea)  
Can you say that, come on  
(Yea yea yea yea, yea yea yea yea, yea yea yea)  
All the girls say  
(Yea yea yea yea, yea yea yea yea)  
What? I can't hear you  
(Yea yea yea yea)

## New York – St. Vincent

New York isn't New York without you, love  
So far in a few blocks to be solo

And if I called you from First Avenue  
Well, you're the only motherfucker in the city who can handle  
me

New love wasn't true love, back to you, love  
So much for a home run with some blue bloods

If I last-strawed you on 8th Avenue  
Well, you're the only motherfucker in the city who can stand  
me

[Chorus:]

I have lo-ost a hero, I have lo-ost a friend  
But for yo-o-ou, darlin', I'd do it a-all again

[Chorus]

New York isn't New York without you, love  
Too few of our old crew left on Astor

So, if I trade our hood for some Hollywood  
Well, you're the only motherfucker in the city who would  
Only motherfucker in the city who would  
Only motherfucker in the city who'll forgive me

[Chorus][x2]

## Sorry – Justin Bieber

(Oh oh oh, oh oh oh)

You gotta go and get angry at all of my honesty  
You know I try but I don't do too well with apologies  
I hope I don't run out of time, could someone call the referee?  
'Cause I just need one more shot at forgiveness

I know you know  
that I made those mistakes maybe once or twice  
And by once or twice I mean maybe a couple a hundred times  
So let me, oh let me redeem, oh redeem, oh myself tonight  
'Cause I just need one more shot, second chances

Hey

[Chorus:]

Is it too late now to say sorry?  
'Cause I'm  
Missing more than just your body  
Oh oh oh  
Is it too late now to say sorry?  
Yeah, I kno-o-ow that I let you down  
Is it too late to say I'm sorry now?

(Oh oh oh, oh oh oh) I'm sorry, yeah  
(Oh oh oh, oh oh oh) Sorry, yea-eah  
(Oh oh oh, oh oh oh) Sorry  
Yeah, I kno-o-ow that I let you down  
Is it too late to say I'm sorry now?

(Oh oh oh, oh oh oh)

I'll take every single piece of the blame if you want me to  
But you know that there is no innocent one in this game for two  
I'll go, I'll go and then you go,  
you go out and spill the truth  
Can we both say the words and forget this?

Yeah

[Chorus]

Hey  
I'm not just tryin' to get you back on me (oh no no)  
'Cause I'm missin' more than just your body (your body), oh oh  
Is it too late now to say sorry?  
Yeah, I kno-o-ow that I let you down  
Is it too late to say I'm sorry now?

(Oh oh oh, oh oh oh) I'm sorry, yeah  
(Oh oh oh, oh oh oh) Sorry, oh oh oh  
(Oh oh oh, oh oh oh) Sorry  
Yeah, I kno-o-ow that I let you down  
Is it too late to say I'm sorry now?

(Oh oh oh, oh oh oh) I'm sorry, yeah  
(Oh oh oh, oh oh oh) Sorry, oh oh oh  
(Oh oh oh, oh oh oh) Sorry  
Yeah, I kno-o-ow that I let you down  
Is it too late to say I'm sorry now?

### thank u, next – Ariana Grande

Thought I'd end up with Sean  
But he wasn't a match  
Wrote some songs about Ricky  
Now I listen and laugh  
Even almost got married  
And for Pete, I'm so thankful  
Wish I could say, "Thank you" to Malcolm  
'Cause he was an angel

One taught me love  
One taught me patience  
And one taught me pain  
Now, I'm so amazing  
Say I've loved and I've lost  
But that's not what I see  
So, look what I got  
Look what you taught me  
And for that, I say

Thank you, next (next)  
Thank you, next (next)  
Thank you, next  
I'm so fuckin' grateful for my ex  
Thank you, next (next)

I ain't worried 'bout nothin'  
Plus, I met someone else  
We havin' better discussions  
I know they say I move on too fast  
But this one gon' last  
'Cause her name is Ari  
And I'm so good with that (So good with that)

She taught me love (Love)  
She taught me patience (Patience)  
How she handles pain (Pain)  
That shit's amazing (Yeah, she's amazing)  
I've loved and I've lost (Yeah, yeah)  
But that's not what I see (Yeah, yeah)  
'Cause look what I've found (Yeah, yeah)  
Ain't no need for searching, and for that, I say  
[WAIT]

Thank you, next (Thank you, next)  
Thank you, next (Thank you, next)  
Thank you, next (Thank you)  
I'm so fuckin' grateful for my ex

All the girls say  
(Yea yea yea yea, yea yea yea yea)  
Break it down  
(Oh woo-oo-oo oh oh oh)  
Uh uh uh  
D.C., take it to the bridge come on

I know you say that I am assuming things  
Something's going down, that's the way it seems  
Shouldn't be no reason why you're acting strange  
If nobody's holding you back from me  
'Cause I know how you usually do  
Where you're saying everything to me times two  
Why can't you just tell the truth  
If somebody's there, then tell me who

[Chorus]

### New Rules – Dua Lipa

(One, one, one, one, one)

Talkin' in my sleep at night, makin' myself crazy  
(Out of my mind, out of my mind)  
Wrote it down and read it out, hopin' it would save me  
(Too many times, too many times)

My loooove  
He makes me feel like nobody else, nobody else  
But my lo-ooooove, he doesn't love me, so I tell myself  
I tell myself

One: Don't pick up the phone  
You know he's only callin' 'cause he's drunk and alone  
Two: Don't let him in  
You'll have to kick him out again  
Three: Don't be his friend  
You know you're gonna wake up in his bed in the mornin'  
And if you're under him, you ain't gettin' over him

[Chorus:]  
I got new rules, I count 'em (hey, hey)  
I got new rules, I count 'em (hey, hey)  
I gotta tell them to myself (hey, hey)  
I got new rules, I count 'em (hey, hey)  
I gotta tell them to myself

I keep pushin' forwards, but he keeps pullin' me backwards  
(Nowhere to turn, no way)  
(Nowhere to turn, no)  
Now I'm standin' back from it, I finally see the pattern  
(I never learn, I never learn)

But my loo-ooooove  
He doesn't love me, so I tell myself, I tell myself  
I do, I do, I do

One: Don't pick up the phone  
You know he's only callin' 'cause he's drunk and alone  
Two: Don't let him in  
You'll have to kick him out again  
Three: Don't be his friend  
You know you're gonna wake up in his bed in the morning  
And if you're under him, you ain't gettin' over him

[Chorus]

Practice makes perfect  
I'm still tryna learn it by heart (I got new rules, I count 'em)  
Eat, sleep, and breathe it  
Rehearse and repeat it, 'cause I (I got new, I got new, I...)

One: Don't pick up the phone (yeah)

You know he's only callin' 'cause he's drunk and alone (alone)

Two: Don't let him in (uh-ooh)

You'll have to kick him out again (again)

Three: Don't be his friend

You know you're gonna wake up in his bed in the morning

And if you're under him, you ain't gettin' over him

I got new rules, I count 'em (hey, hey)

I got new rules, I count 'em

(Whoa-ooh, whoa-ooh, whoa)

I gotta tell them to myself (hey, hey)

I got new rules, I count 'em

(Baby, you know I count 'em)

I gotta tell them to myself

[x2]

Don't let him in, don't let him in

Don't, don't, don't, don't

Don't be his friend, don't be his friend

Don't, don't, don't, don't

You're gettin' over him

### **Stronger – Britney Spears**

Ooh hey, yeah

Hush, just stop

There's nothing you can do or say, baby

I've had enough

I'm not your property as from today, baby

You might think that I won't make it on my own

[Chorus:]

But now I'm stronger than yesterday

Now it's nothing but my way

My loneliness ain't killin' me no more

I, I'm stronger

Than I ever thought that I could be, baby

I used to go with the flow

Didn't really care 'bout me

You might think that I can't take it, but you're wrong

[Chorus]

Come on, now

Oh, yeah

Here I go, on my own

I don't need nobody, better off alone

Here I go, on my own now

I don't need nobody, not anybody

Here I go, here I go, here I go

Alright...

Here I go, here I go, here I go

Stronger than yesterday

It's nothin' but my way

My loneliness ain't killing me no more

I, I'm stronger

Now I'm stronger than yesterday

Now it's nothin' but my way

My loneliness ain't killing me no more

[Chorus]

### **End Of The Road – Boyz II Men**

We belong together...and you that I'm ri-ight

Why do you play with my heart

Why do you play with my mi-i-i-i-i-ind?

Said we'd be forever...said it'd neeee-ver die

How could you love me and leave me and never

Say goodbyyyyy?

When I can't sleep at night without holding you tight

Girl, each time I try I just break down and cry

Pain in my head, oh, I'd rather be dead

Spin-nin' around and around

[Chorus:]

Although we've come, to the end of the road  
Still, I can't let go  
It's unnatural, you belong to me, I belong to you

G-irl, I know you really lo-ove me, you just do-n't reali-ize  
You've never been there before, it's only your first ti-i-me

Maybe I'll forgive you, m-mhm, maybe you'll try  
We should be happy together forever, you and I IIII

Will you love me again like you loved me before  
This time I want you to love me much mo-ore  
This time instead just come to my bed  
And baby just don't let me do-o-o-own

[Chorus]

[Spoken:] Girl I'm here for you. All those times at night when you just hurt me. And just run out with that other fella. Baby I knew about it, I just didn't care. You just don't understand how much I love you, do you? I'm here for you. I'm not out to go out and cheat on you all night. Just like you did baby but that's all right Hey, I love you anyway. And I'm still gonna be here for you 'till my dying day, baby. Right now, I'm just in so much pain baby 'Cause you just won't come back to me. Will you? Just come back to me!

(Lonely) Yes baby my heart is lonely  
(Lonely) My heart hurts baby  
(Lonely) Yes I feel pain too  
Baby please

This time instead just come to my bed  
And baby just don't let me do-o-o-own

[Chorus]

Come to the end of the road  
(To the end of the road, don't know what to do)  
Still I can't let go (no no, no no, no no no no no)  
It's unnatural, you belong to me, I belong to you

### Go Your Own Way – Fleetwood Mac

Lovin' you  
Isn't the right thing to do  
How can I  
ever change things that I feel?

If I could, baby, I'd give you my world  
How can I, when you won't take it from me?

[Chorus:]

You can go your own waaaay  
Go your own wa-a-ay  
You can call it anooooother lonely day  
You can go your own waaaay  
Go your own way

Tell me why  
Everything turned around  
Packin' up  
Shackin' up's all you wanna do  
If I could, baby, I'd give you my world  
Open up, everything's waiting for you

[Chorus]  
[Guitar solo]

You can go your own waaaay  
Go your own wa-a-ay  
You can call it anooooother lonely day (Another lonely da-a-ay)  
You can go your own waaaay  
Go your own wa-a-ay  
You can call it anooooother lonely day

[Chorus:]

You've lost that lovin' feelin'  
Whoa, that lovin' feelin'  
You've lost that lovin' feelin'  
Now it's gone...gone...gone...woah

Now there's no welcome look in your eyes when I reach for you  
And now you're starting to criticize little things I do  
It makes me just feel like crying (baby)  
'Cause baby, something beautiful's dying

[Chorus]

Baby baby, I get down on my knees for you  
If you would only love me like you used to do, yeah  
We had a love, a love, a love you don't find everyday  
So don't, don't, don't, don't let it slip away

Baby (baby), baby (baby)  
I beg you please (please)...please (please)  
I need your love (I need your love),  
I need your love (I need your love)  
Well, bring it on back (So bring it on back),  
Bring it on back (so bring it on back).

[Chorus]

And I can't go on, woah

[Chorus]

### Return Of The Mack – Mark Morrison

Ooooooh, come on, ooh yeah

Well I tried to tell you so (yes I did),  
But I guess you didn't know,  
As the saddest story goes,  
Baby, now I got the flow,  
'Cause I knew it from the start,  
Baby, when you broke my heart,  
That I had to come again,  
And show you that I'm with.

(You lied to me) All those times I said that I loved you  
(You lied to me) Yes, I tried, yes, I tried  
(You lied to me) Even though you knew I'd die for you  
(You lied to me) Yes, I cried, yes, I cri-i-ied

(Return of the mack) it is  
(Return of the mack) come on  
(Return of the mack) oh, my god  
(You know that I'll be back) here I am

(Return of the mack) once again  
(Return of the mack) top of the world  
(Return of the mack) watch my flow  
(You know that I'll be back) here I go

So, I'm back up in the game (hustling sound)  
Running things to keep my swing (whole night long)  
Letting all the people know  
That I'm back to run the show  
Cause what you did you know was wrong  
And all the nasty things you've done (oh oh oh oh oh)  
So baby listen carefully while I sing my comeback song

(You lied to me) cause she said she'd never turn on me  
(You lied to me) but you did, but you did  
(You lied to me) all this pain you said I'd never feel

### **Send My Love (To Your New Lover) – Adele**

This was all you, none of it me  
You put your hands all over my body and told me, umm  
You told me you were ready  
For the big one, for the big jump  
I'd be your last love, everlasting you and me  
Mmmm, that was what you told me

I'm giving you up, I've forgiven it all, you set me free-e-e-e

[Chorus:][x2]  
Send my love to your new lo-over  
Treat her better  
We've gotta let go of all of our ghosts  
We both know we ain't kids no more

I was too strong, you were trembling  
You couldn't handle, the hot heat rising (rising), umm  
Baby I'm still rising  
I was running, you were walking  
You couldn't keep up, you were falling down (down), umm  
There's only one way down

I'm giving you up, I've forgiven it all, you set me free-e-e, oh

### **Believe – Cher**

After love [x15 or so]

No matter how hard I try  
You keep pushing me aside  
And I can't break through  
There's no talkin' to you

So sa-a-ad that you're leavin'  
Takes ti-i-ime to believe it  
But after all is said and done  
You're going to be the lonely one, oh-oh

[Chorus:]

Do you believe in life after love (love, after love, after love)  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love (love, after love, after love)  
I can feel something inside me say  
I really don't think you're strong enough, no

What am I supposed to do  
Sit around and wait for you  
Well, I can't do that  
There's no turning ba-a-a-ack  
I need ti-i-ime to move on, I need lo-o-ove to feel strong  
'Cause I've had time to think it through  
And maybe I'm too good for you  
Ohh oh

[Chorus]

Well, I know that I'll get through thi-is  
'Cause I know that I am stro-o-ong  
And I don't need you anymore, oh I don't need you anymo-ore

### **I Will Survive – Gloria Gaynor**

At first I was afraid  
I was petrified  
Kept thinking I could never live  
Without you by my side  
But then I spent so many nights  
Thinking how you did me wrong  
And I grew strong  
And I learned how to get along

And so you're back  
From outer space  
I just walked in to find you here  
With that sad look upon your face  
I should have changed that stupid lock  
I should have made you leave your key  
If I'da known for just one second  
You'd be back to bother me

Go on now go walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die

[Chorus:]  
Oh no, not I, I will survive  
Oh as long as I know how to love, I know I'll stay alive  
I've got all my life to live, I've got all my love to give  
And I'll survive, I will survive

(Hey-hey)

[Dance/rollerskate/spin]

It took all the strength I had  
Not to fall apart

If you're ready, if you're ready (Send my love to your new lover)  
If you're ready, are you ready? (Treat her better)  
We've gotta let go of all of our ghosts  
We both know we ain't kids no more  
If you're ready, if you're ready (Send my love to your new lover)  
If you're ready, are you ready? (Treat her better)  
We've gotta let go of all of our ghosts  
We both know we ain't kids no more

### **Tyrone – Erykah Badu**

Alright

I'm gettin' tired of your shit  
You don't never buy me nothin'  
See every time you come around  
You gotta bring Jim, James, Paul, and Tyrone

See why can't we be by ourselves, sometimes  
See I've been havin' this on my mind for a long time  
I just want it to be you and me  
Like it used to be, baby  
But ya don't know how to act  
So matter of fact

I heard ya better call Tyrone (call him)  
And tell him come on, help you get your shit  
(Come on, come on, come on)  
You need to call Tyrone (call him)  
And tell him I said come on

Now every time I ask you for a little cash  
You say naw, but turn right around and ask me for some ass, oh!  
Oh, whoa well hold up, listen partner I ain't no cheap thrill  
Cause Miss Badu is always comin' for real and you know the deal, nigga

Every time we go somewhere I gotta reach down in my purse  
To pay your way and your homeboys' way and sometimes your  
cousin's way  
They don't never have to pay, don't have no cars  
Hang around in bars try to hang around with stars  
Like Badu Imma tell you the truth  
Show and prove or get the boot

I think ya better (call him)  
And tell him come on, help you get your shit  
(Come on, come on, come on)  
You need to call Tyrone (call him)  
Hold on  
But you can't use my phone

### **Piece Of My Heart – Big Brother & The Holding Company (Covering Erma Franklin, Aretha's older sister)**

Oh, come on, come on, come on, come on!

Didn't I make you fe-el  
Like you were the only man- yeah!  
And didn't I give you nearly everything that a woman possibly  
can?

Honey, you know I did!  
And each time I tell myself that I  
Well, I think I've had enough  
Oh, but I'm gonna show you, baby  
That a woman can be tough

I want you to come on, come on  
Come on, come on and take it  
Take another little piece of my heart now, baby!  
(Oh, oh, break it!)  
Break another little bit of my heart now, darling Yeah, yeah,  
yeah (Oh, oh, have a!)  
Have another little piece of my heart now, baby

Well, you know you got it if it makes you feel good  
Oh, yes indeed

You're out on the streets looking good  
And, baby, deep down in your heart  
I guess you know that it ain't right  
Never, never, never, never, never hear me when I cry-y at  
night

Babe, and I cry all the time!  
But each time I tell myself that I, well I can't stand the pain  
But when you hold me in your arms, I'll sing it once again

I'll say come on, come on, come on, come on and take it!  
Take another little piece of my heart now, baby.  
(Oh, oh, break it!)  
Break another little bit of my heart now, darling, yeah  
(Oh, oh, have a!)  
Have another little piece of my heart now, baby  
Well, you know you got it  
Child, if it makes you feel good

[Dance break]

I need you to come on, come on, come on, come on and take it  
Take another little piece of my heart now, baby!

(Oh, oh, break it!)  
Break another little bit of my heart, now darling, yeah, c'mon  
now.

(Oh, oh, have a!)  
Have another little piece of my heart now, baby.  
You know you got it- whoahhhhh!!

Take it!  
Take another little piece of my heart now, baby  
(Oh, oh, break it!)  
Break another little bit of my heart, now darling, yeah, yeah,  
yeah, yeah  
(Oh, oh, have a)

Have another little piece of my heart now, baby, hey  
You know you got it, child, if it makes you feel good

### **Ruby Tuesday – The Rolling Stones**

She would never say where she came from  
Yesterday don't matter if it's gone  
While the sun is bright  
Or in the darkest night  
No one knows  
She comes and goes

[Chorus:]

Goodbye Ruby Tuesday, who could hang a name on you?  
When you change with every new day  
Still I'm gonna miss you

Don't question why she needs to be so free  
She'll tell you it's the only way to be  
She just can't be chained  
To a life where nothing's gained  
And nothing's lost  
At such a cost

[Chorus]

"There's no time to lose," I heard her say  
"Catch your dreams before they slip away  
Dying all the time  
Lose your dreams and you  
Will lose your mind  
Ain't life unkind?"

[Chorus][x2]

Kept trying hard to mend  
The pieces of my broken heart  
And I spent oh so many nights  
Just feeling sorry for myself  
I used to cry  
But now I hold my head up high

And you see me  
Somebody new  
I'm not that chained up little person  
Still in love with you  
And so you felt like dropping in  
And just expect me to be free  
And now I'm saving all my lovin'  
For who's loving me

Go on now go  
Walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die

[Chorus]

Oh

Go on now go  
Walk out the door  
Just turn around now  
'Cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye  
Did you think I'd crumble  
Did you think I'd lay down and die

[Chorus]

I will surviiiive

## Without You – Mariah Carey covering Badfinger

No, I can't forget this evening  
Or your face as you were leaving  
But I guess that's just the way the story goes  
You always smile but in your eyes  
Your sorrow shows  
Yes, it sho-oooo-o-o-o-ooows

No, I can't forget tomorrow, when I think of all my sorrow  
When I had you there, but then I let you go-o-o-o-o  
And now it's only fair that I should let you knoooo-o-o-ow  
What you should kno-o-oooo-o-o-oo-o-ow

I can't liiiiiive, if livin' is without yooo-o-ou  
I can't li-iiii-i-i-i-ive, I can't give anymo-o-ore  
I can't liiiiiiiiive, if livin' is without yooo-o-ou
