

A PEOPLE'S CHOIR DC
Infra(structure)
June 22, 2017

[Chorus]

Yeah...yeah yeah. Oh, no, no, no, no, yeah, yeah.
Love me, I say, yeah yeah

[Spoken:] One time

Under the bridge downtown, is where I drew some blood
Under the bridge downtown, I could not get enough
Under the bridge downtown, forgot about my love
Under the bridge downtown, I gave my life away

Yeah – yeah, yeah. Oh, no, no, no, no, yeah yeah
Oh, no, I said, oh, yeah yeah
(Oh ooooooh!)

[Spoken:] Where I stay

We Built This City – Starship

[Chorus:]

We built this city
We built this city on rock and roll, built this city
We built this city on rock and roll

Oh!

Say you don't know me, or recognize my face
Say you don't care who goes to that kind of place
Knee-deep in the hoopla, sinking in your fight
Too many runaways eating up the night

Marconi plays the mamba, listen to the radio,
Don't you remember? We built this city.
We built this city on rock and roll

[Chorus]

Someone always playing corporation games
Who cares, they're always changing corporation names
We just want to dance here, someone stole the stage
They call us irresponsible, write us off the page

Marconi plays the mamba, listen to the radio
Don't you remember?
We built this city, we built this city on rock an' roll

[Chorus]

It's just another Sunday in a tired old street
Police have got the choke hold, oh, then we just lost the beat

Who counts the money underneath the bar?
Who rides the wrecking ball into our guitars?
Don't tell us you need us 'cause we're the ship of fools
Looking for America, coming through your schools

[Spoken:] I'm looking out over that Golden Gate bridge on
another gorgeous sunny Saturday and I'm seein' that bumper to
bumper traffic.

Don't you remember? (Remember)

[Spoken:] Here's your favorite radio station, in your favorite
radio city, the city by the bay, the city that rocks, the city that
never sleeps.

Marconi plays the mamba, listen to the radio
Don't you remember?
We built this city, we built this city on rock an' roll

We built this city
We built this city on rock and roll, built this city [x3]
We built this city on rock and roll, oh

[x4]
(We built, we built this city) built this city
(We built, we built this city)

Green Light – Lorde

I do my makeup in somebody else's car
We order different drinks at the same bars
I know about what you did and I wanna scream the truth
She thinks you love the beach, you're such a damn liar

Well those great whites, they have big teeth
Hope they bite you
Thought you said that you would always be in love
But you're not in love, no more
Did it frighten you
How we kissed when we danced on the light up floor?
On the light up floor

But I hear sounds in my mind
Brand new sounds in my mind
But honey I'll be seein' you wherever I go
But honey I'll be seein' you down every road
I'm waiting for it, that green light, I want it

'Cause honey I'll come get my things, but I can't let go
I'm waiting for it, that green light, I want it
Oh, I wish I could get my things and just let go
I'm waiting for it, that green light, I want it

Sometimes I wake up in a different bedroom
I whisper things the city sings them back to you

Well those rumors, they have big teeth
Hope they bite you
Thought you said that you would always be in love
But you're not in love no more
Did it frighten you
How we kissed when we danced on the light up floor?
On the light up floor

But I hear sounds in my mind
Brand new sounds in my mind
But honey I'll be seein' you wherever I go
But honey I'll be seein' you down every road
I'm waiting for it, that green light, I want it

'Cause honey I'll come get my things, but I can't let go
I'm waiting for it, that green light, I want it
Oh, honey I'll come get my things, but I can't let go
I'm waiting for it, that green light, I want it
Yes, honey I'll come get my things, but I can't let go
I'm waiting for it, that green light, I want it
Oh, I wish I could get my things and just let go
I'm waiting for it, that green light, I want it

I'm waiting for it, that green light, I want it [x6]

Love Shack – B-52s

If you see a faded sign at the side of the road that says
"15 miles to the Looove Shack"
Love Shack, yeah, yeah

I'm headin' down the Atlanta highway
Lookin' for the loooooove getaway, headed for the love getaway
I got me a car, it's as big as a whale
And we're headin' on down to the Lo-o-ove Shack
I got me a Chrysler, it seats about 20
So hurry up and bring your jukebox money

[Chorus:]

The Love Shack is a little old place where
We can get together-er-er

The original A People's Choir is a monthly group sing-along created by Paige Reitz, Adele Hauser, and Decoteau Wilkerson in Portland, Oregon. Every month, a theme is chosen and choir members (i.e., whoever wants to come) suggest songs via social media. The choir simply sings along to the sound recordings- anything goes! The choir began in 2011 out of nostalgia for communal singing. Since the first choir, A People's Choir has hosted choirs at PSU's Open Engagement, New York's Art in Odd Places festival, Last Thursdays on Alberta, PDX Farm Fiesta and monthly at their new venue, Crush Bar. They were also listed as one of the "Best of Portland" by the Willamette Week. Find out more about the Portland choir at: <https://www.facebook.com/APeoplesChoir>

The DC sing-along started in April 2014. You can keep track of events through email (send a note to the email below to get on the list), Twitter, Facebook, or mule. (Note: must supply own willing mule.)

words not in parentheses are also for singing,
though this was probably intuitive.

Interstate Love Song – Stone Temple Pilots

Waitin', on a Sunday afternoon
For what I've read between the lines: Your li-iiies

Feelin' - Like a hand in rusted shame
So do you laugh at those who cry?
Reply-yyy?

[Chorus:]

Leaviiiiin' on a Southern train, only yesterday
You li-i-ied
Promises of what I seemed to be
Only watched the time go byyy-y-y
All of these things you said to me

Breathin' - is the hardest thing to do-o
With all I've said and all that's dead for you
You li-ied
Goodby-y-ye

[Chorus]

Every Day Is A Winding Road – Sheryl Crow

I hitched a ride with a vending machine repair man
He said he's been down this road more than twice
He was high on intellectualism
I've never been there but the brochure looks nice
Jump in, let's go...Lay back, enjoy the show
Everybody gets high, everybody gets low
These are the days when anything goes

[Chorus:]

Every day is a winding road...I get a little bit closer
Every day is a faded sign...I get a little bit closer, to feeling fine

He's got a daughter he calls Easter
She was born on a Tuesday night
I'm just wondering why I feel so all alone
Why I'm a stranger in my own life
Jump in, let's go
Lay back, enjoy the show
Everybody gets high, everybody gets low
These are the days when anything goes

Every day is a winding road
I get a little bit closer
Every day is a faded sign
I get a little bit closer...

[Chorus]

[Guitar solo]

I've been swimming in a sea of an-ar-chy
I've been living on coffee and nicotine
I've been wondering if all the things I've seen
Were ever real, were ever really happening
(Ever really happening)

Every day is a winding road
I get a little bit closer
Every day is a faded sign
I get a little bit closer...

[Chorus]

(Every day is a winding road)
(Every day is a winding road)

Ocean Avenue – Yellowcard

There's a place off Ocean Avenue

Love Shack, baby (a-Love Shack, baby)
Love Shack, baby, Love Shack
Love Shack, baby, Love Shack
(Love, baby, that's where it's at)

Sign says (woo) "Stay away, fools"
'Cause love rules at the Love Shack
Well, it's set way back in the middle of a field
Just a funky old shack and I gotta get back
Glitter on the mattress...glitter on the highway
Glitter on the front po-orch..glitter on the highwaaaaay

The Love Shack is a little old place where we can get together
Love Shack, baby (Love Shack, baby)
Love Shack, that's where it's at
Love Shack, that's where it's at

Huggin' and a-kissin', dancin' and a-lovin'
Wearin' next to nothin', 'cause it's hot as an oven
The whole shack shimmys, when everybody's movin' around
and around and around and around

Everybody's movin', everybody's groovin', baby
Folks linin' up outside just to get down
Everybody's movin', everybody's groovin', baby
Funky little shack
Funky little shack

[Brief interlude]

Hop in my Chrysler
It's as big as a whale and it's about to set sail (woo!)
I got me a car, it seats about 20
So come on and bring your jukebox money

[Chorus]

Bang, bang, bang, on the door, baby
Knock a little louder, sugar
Bang, bang, bang, on the door, baby
I can't hear you
Bang, bang (On the door, baby)
Bang, bang (On the door)
Bang, bang (On the door, baby)
Bang, bang

[Spoken:] Your what?
Tiiin roof...rusted

Love Shack, baby, Love Shack
Love Shack, baby, Love Shack (Love, baby, that's where it's at)
Love Shack, baby, Love Shack (Love, baby, that's where it's at)
(Love Shack, baby, Love Shack)
Huggin' and a-kissin', dancin' and a-lovin'
At the Love Shack

Sprawl II (Mountains Beyond Mountains) – Arcade Fire

They heard me singing and they told me to stop
Quit these pretentious things and just punch the clock
These days, my life, I feel it has no purpose
But late at night the feelings swim to the surface
'Cause on the surface the city lights shine
They're calling at me, "come and find your kind"

[Chorus:]

Sometimes I wonder if the world's so small
That we can never get away from the sprawl
Living in the sprawl
Dead shopping malls rise like mountains beyond mountains
And there's no end in sight
I need the darkness, someone please cut the lights

We rode our bikes to the nearest park
Sat under the swings, we kissed in the dark

We shield our eyes from the police lights
We run away, but we don't know why
And like a mirror these city lights shine
They're screaming at us, "we don't need your kind"

[Chorus]

[Dance break]

They heard me singing and they told me to stop
Quit these pretentious things and just punch the clock

[Chorus]

I need the darkness, someone please cut the lights

Life Is A Highway – Tom Cochrane

Life's like a road that you travel on
When there's one day here and the next day gone
Sometimes you bend, sometimes you stand
Sometimes you turn your back to the wind
There's a world outside every darkened door
Where blues won't haunt you anymore
Where the brave are free and lovers soar
Come ride with me to the distant shore
We won't hesitate, break down the garden gate
There's not much time left today

[Chorus:]

Life is a highway, I want to ride it all night long
If you're goin' my way, I want to drive it all night long

Through all these cities and all these towns
It's in my blood and it's all around
I love you now like I loved you then
This is the road and these are the hands
From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights
Knock me down and back up again
You're in my blood I'm not a lonely man

There's no load I can't hold
Road so rough, this I know
I'll be there when the light comes in
Just tell 'em we're survivors

[Chorus][x2]

There was a distance between you and I
A misunderstanding once but now
We look it in the eye

Oh!

[Harmonica solo]

Mmm!

[More harmonica]

There ain't no load that I can't hold
Road so rough this I know
I'll be there when the light comes in
Tell 'em we're survivoors

[Chorus][x3]

Our House – Madness

Father wears his Sunday best
Mother's tired she needs a rest
The kids are playing up downstairs
Sister's sighing in her sleep (oh oh oh oh)
Brother's got a date to keep, he can't hang around

Where I used to sit and talk with you
We were both 16 and it felt so right
Sleeping all day, staying up all – ni-ight
Staying up all ni-ight

There's a place on the corner of Cherry Street
We would walk on the beach in our bare feet
We were both 18 and it felt so right
Sleeping all day, staying up all – ni-ight
Staying up all ni-ight

If I could find you now things would get better
We could leave this town and run forever
Let your waves crash down on me and take me away
Yeah, yeah

There's a piece of you that's here with me
It's everywhere I go, it's everything I see
When I sleep, I dream and it gets me by
I can make believe that you're here, toni-ight
That you're here- toni-ght

[Chorus:]

If I could find you now things would get better
We could leave this town and run forever
I know somewhere, somehow we'll be together
Let your waves crash down on me and take me away
Yeah

I remember the look in your eyes
When I told you that this was goodbye
You were begging me not tonight, not here, not now
We're looking up at the same night sky
And keep pretending the sun will not rise
Be together for one more night, somewhere, somehow

[Chorus]

Electric Avenue – Eddy Grant

Boy!...Boy!

Now in the street there is violence
And and a-lots of work to be done
No place to hang out our washin'
And and I can't blame all on the sun, oh no

[Chorus:]

We gonna rock down to Electric Avenue
And then we'll take it higher
Oh, we gonna rock down to Electric Avenue
And then we'll take it higher

Workin' so hard like a soldier
Can't afford a thing on TV
Deep in my heart I abhor ya
Can't get food for them kid, good God

[Chorus]

Oh no... [x4]

[Chorus]

Who is to blame in one country
Never can get to the one
Dealin' in multiplication
And they still can't feed everyone, oh no

[Chorus]

Out in the street...Out in the street...
Out in the playground...In the dark side of town (ho!)

[Chorus]

Rock it in the daytime (Rock down to Electric Avenue)
Rock it in the night (and then we'll take it higher)
Electric Avenue
Rock it eeh-dum-pum-pay (Rock down to Electric Avenue)
Woah, in the Brixton riot

London Bridge - Fergie

Oh snap!...Oh snap!...Oh snap! (Are you ready for this)
Oh snap!...Oh!

[Spoken:]

It's me, Fergie. The pen, Polow!
Fergie Ferg, what's up baby. Come on!

When I come to the club step aside (Oh snap!)
Part the seas, don't be havin' me in the line (Oh snap!)
V.I.P. 'cause you know I gotta shine (Oh snap!)
I'm Fergie Ferg and me love you long time (Oh snap!)

All my girls get down on the floor (Oh snap!)
Back to back, drop it down real low (Oh snap!)
I'm such a lady but I'm dancin' like a ho (Oh snap!)
'Cause you know I don't give a [fuck], so here we go! (Oh snap!)

[Chorus:][x2]

How come every time you come around
My London London Bridge wanna go down like
London London London, wanna go down like
London London London, we goin' down like

Drinks start pourin' and my speech start slurrin'
Everybody start lookin' real good

That Grey Goose got your girl feelin' loose
Now I'm wishin' that I didn't wear these shoes
It's like e'ry time I get up on a dude
Paparazzi put my business in the news

And I'm like, 'Get up out my face! (Oh snap!)
'Fore I turn around and spray your [ass] with mace!' (Oh snap!)
My lips make you want to have a taste (Oh snap!)
You got that- I got the bass (Ooh!)

[Chorus]

[x2]

La, da da da da, doo doo doo doo
Me like a bullet type, you know they comin' right
Fergie like 'em long time, my girls support, right

[Spoken:]

Another ATL-Cali collabo
Fergie and Polow

When I come to the club step aside (Oh snap!)
Part the seas, don't be havin' me in the line (Oh snap!)
V.I.P. 'cause you know I gotta shine (Oh snap!)
I'm Fergie Ferg and me love you long time (Oh snap!)

All my girls get down on the floor (Oh snap!)
Back to back, drop it down real low (Oh snap!)
I'm such a lady but I'm dancin' like a ho (Oh snap!)
'Cause you know I don't give a fuck, so here we go! (Oh snap!)

[Chorus]

Water Under The Bridge – Adele

If you're not the one for me
Then how come I can bring you to your knees?
If you're not the one for me
Why do I hate the idea of being free?
And if I'm not the one for you

[Chorus:]

Our house, in the middle of our street
Our house, in the middle of our

Our house it has a crowd
There's always something happening, and it's usually quite loud
Our mum she's so house-proud
Nothing ever slows her down, and a mess is not allowed

[Chorus]

Our house, in the middle of our street
(Something tells you that you've got to get away from it)

Our house, in the middle of our

Father gets up late for work
Mother has to iron his shirt, then she sends the kids to school
Sees them off with a small kiss (oh oh oh oh)
She's the one they're going to miss, In lots of ways

[Instrumental interlude]

[Chorus]

[The next part is fast!]

I remember way back then when
Everything was true and when
We would have such a very good time
Such a fine time
Such a happy time
And I remember how we'd play, simply waste the day away
Then we'd say, nothing would come between us
Two dreamers

Father wears his Sunday best
Mother's tired she needs a rest
The kids are playing up downstairs
Sister's sighing in her sleep
Brother's got a date to keep, he can't hang around

Our house, in the middle of our street [x3]
Our house, in the middle of our
Our house, was our castle and our keep
Our house, in the middle of our street
Our house, that was where we used to sleep
Our house, in the middle of our street

Brick – Ben Folds Five

6 A.M., day after Christmas
I throw some clothes on in the dark
The smell of cold, car seat is freezing
The world is sleeping, I am...numb

Up the stairs, to her apartment
She is balled up on the couch
Her mom and dad went down to Charlotte
They're not home to find us out
And we drive, now that I have found someone
I'm feeling more alone...han I ever have before

[Chorus:]

She's a brick and I'm drownin' slowly
Off the coast and I'm headed nowhere
She's a brick and I'm drownin' slowly

They call her name, at 7:30
I pace around the parking lot
Then I walk down, to buy her flowers
And sell some gifts that I got
Can't you see...it's not me you're dying for
And she's feeling more alone...Than she ever has before

[Chorus]

As weeks went by, it showed that she was not fine
They told me, "son, it's time to tell the truth," and
She broke down, and I broke down, 'cause I was tired...of lying
Driving back, to her apartment, for the moment we're alone
She's alone, I'm alone, now I know it

[Chorus]

Bicycle Race – Queen

[Chorus:]

Bicycle, bicycle, bicycle
I want to ride my bicycle, bicycle, bicycle
I want to ride my bicycle, I want to ride my bike
I want to ride my bicycle, I want to ride it where I like
You say black, I say white, you say bark, I say bite
You say shark, I say, Hey man, jaws was never my scene
And I don't like Star Wars
You say Rolls, I say Royce, you say God, give me a choice!
You say Lord, I say Christ!
I don't believe in Peter Pan, Frankenstein or Superman
All I wanna do is

Bicycle bicycle bicycle
I want to ride my bicycle bicycle bicycle
I want to ride my bicycle, I want to ride my bike
I want to ride my bicycle, I want to ride my...

Bicycle races are coming your way
So forget all your duties oh yeah!
Fat bottomed girls they'll be riding today
So look out for those beauties oh yeah

On your marks! Get set! Go!

Bicycle race, bicycle race, bicycle race

Bicycle, bicycle, bicycle, I want to ride my bicycle, bicycle
Bicycle, bicycle, bicycle, bicycle race

[Bicycle bells]

[Guitar solo]

Hey!

You say coke, I say caine, you say John, I say Wayne
Hot dog, I say, cool it man
I don't wanna be the President of America
You say smile, I say cheese, Cartier, I say please
Income tax, I say, Jesus, I don't wanna be a candidate
For Vietnam or Watergate
Cause all I want to do is

[Chorus]

Boulevard of Broken Dreams – Green Day

I walk a lonely road, the only one that I have ever known
Don't know where it goes, but it's home to me and I walk alone

I walk this empty street, on the Boulevard of Broken Dreams
Where the city sleeps, and I'm the only one and I walk alone

I walk alone, I walk alone...I walk alone, I walk a-...

[Chorus:]

My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes I wish someone out there will find me
'Til then I walk alone

You've gotta stop holding me the way you do
Oh, honey, if I'm not the one for you
Why have we been through what we have been thro-o-o-ough?

It's so co-o-o-o-old out here, in your wi-i-i-ilderness
I want you to be my keeper, but not if you are so reckless

[Chorus:][x2]

If you're gonna let me down, let me down gently
Don't pretend that you don't want me
Our love ain't water under the bridge

Oh oh oh, oh oh oh, oh oh
Say that our love ain't water under the bridge

What are you waiting for?
You never seem to make it through the door
And who are you hiding from?
It ain't no life to live like you're on the run
Have I ever asked for much?
The only thing that I want is your lo-o-o-o-ove

[Chorus]

Oh oh oh, oh oh oh, oh oh
Say that our love ain't water under the bridge

It's so co-o-o-o-old...In your wilderness
I want yo-o-ou to be my keeper, but not if you are so reckless

[Chorus]

[x2]

Oh oh oh, oh oh oh, oh oh
(Say it ain't so, say it ain't so) [x2]
Say that our love ain't water under the bridge
(Say it ain't so, say it ain't so) [x2]

Say that our love ain't water under the bridge

The Loco-Motion – Little Eva

Everybody's doing a brand-new dance, now
(Come on baby, do the Loco-motion)
I know you'll get to like it if you give it a chance now
(Come on baby, do the Loco-motion)
My little baby sister can do it with me
It's easier than learning your A-B-C's
So, come on, come on, do the Loco-motion with me

You gotta swing your hips, now
Come on, baby
Jump up...jump back...well, I think you've got the knack
Whoa, whoa
Now that you can do it, let's make a chain, now
(Come on baby, do the Loco-motion)
A chug-a chug-a motion like a railroad train, now
(Come on baby, do the Loco-motion)
Do it nice and easy, now, don't lose control
A little bit of rhythm and a lot of soul

Come on, come on
Do the Loco-motion with me

Ooooh wah [x3]
Ooooooh

Ye-ye-ye-yeah
Move around the floor in a Loco-motion
(Come on baby, do the Loco-motion)
Do it holding hands if you get the notion
(Come on baby, do the Loco-motion)

There's never been a dance that's so easy to do
It even makes you happy when you're feeling blue

So come on, come on, do the Loco-motion with me
(Come on, do the Loco-motion) You gotta swing your hips, now
(Come on, do the Loco-motion) That's right
You're doing fine! (Come on, do the Loco-motion)
Come on, baby (Come on, do the Loco-motion)
Hm-hm-hm, jump up (Come on, do the Loco-motion)
Jump back
You're looking good (Come on, do the Loco-motion)
Hm-hm-hm, jump up (Come on, do the Loco-motion)
Jump back (do the Loco-motion)

Highway To Hell – AC/DC

Livin' easy, lovin' free, season ticket on a one-way ride
Askin' nothin', leave me be, takin' everythin' in my stride
Don't need reason, don't need rhyme
Ain't nothin' that I'd rather do
Goin' down, party time, my friends are gonna be there too

I'm on the highway to hell, on the highway to hell
Highway to hell, I'm on the highway to hell

No stop signs, speed limit
Nobody's gonna slow me down
Like a wheel, gonna spin it
Nobody's gonna mess me around
Hey, Satan, payin' my dues
Playin' in a rockin' band
Hey, mama, look at me
I'm on the way to the promised land...woo!

I'm on the highway to hell, highway to hell
I'm on the highway to hell, highway to hell

Mmmm...Don't stop me
Hey, ey!

[Guitar solo]

I'm on the highway to hell, on the highway to hell
I'm on the highway to hell, on the highway to-
(Highway to hell) I'm on the highway to hell
(Highway to hell) highway to hell
(Highway to hell) highway to hell
(Highway to hell)

And I'm goin' do-o-o-own. Aaaaall the waaaaa-a-ay...waaaah!

I'm on the highway to hell

Penny Lane – The Beatles

In Penny Lane, there is a barber showing photographs
Of every head he's had the pleasure to have known
And all the people that come and go, stop and say hello

On the corner is a banker with a motorcar
The little children laugh at him behind his back
And the banker never wears a mac
In the pouring rain, very strange

Penny Lane is in my ears and in my eyes
There beneath the blue suburban skies
I sit, and meanwhile back

In Penny Lane, there is a fireman with an hourglass
And in his pocket is a portrait of the queen
He likes to keep his fire engine clean
It's a clean machine

[Trumpet solo]

Ah-ah, ah-ah, ah-ah, aaah-ah,
Ah-ah, ah-ah, ah-ah

I'm walking down the line
That divides me somewhere in my mind
On the border line ff the edge and where I walk alone

Read between the lines
Of what's fucked up and everything's alright
Check my vital signs, to know I'm still alive and I walk alone

I walk alone [x3]
I walk a...

[Chorus]

Ah-ah, ah-ah, ah-ah, aaah-ah, ah-ah, ah-ah

I walk alone, I walk a...

[Interlude]

I walk this empty street, on the Boulevard of Broken Dreams
Where the city sleeps, and I'm the only one and I walk a...

[Chorus]

End of the Road – Boyz II Men

We belong together...and you that I'm ri-ight
Why do you play with my heart
Why do you play with my mi-i-i-i-i-ind?
Said we'd be forever...said it'd neeeee-ver die
How could you love me and leave me and never
Say goodbyyyyye?

When I can't sleep at night without holding you tight
Girl, each time I try I just break down and cry
Pain in my head, oh, I'd rather be dead
Spin-nin' around and around

[Chorus:]

Although we've come, to the end of the road
Still, I can't let go
It's unnatural, you belong to me, I belong to you

G-irl, I know you really lo-ove me, you just do-n't reali-ize
You've never been there before, it's only your first ti-i-ime

Maybe I'll forgive you, m-mhm, maybe you'll try
We should be happy together forever, you and I!!!!

Will you love me again like you loved me before
This time I want you to love me much mo-ore
This time instead just come to my bed
And baby just don't let me do-o-o-own

[Chorus]

[Spoken:] Girl I'm here for you. All those times at night when
you just hurt me. And just run out with that other fella. Baby I
knew about it, I just didn't care. You just don't understand how
much I love you, do you? I'm here for you. I'm not out to go out
and cheat on you all night. Just like you did baby but that's all
right Hey, I love you anyway. And I'm still gonna be here for you
'till my dying day, baby. Right now, I'm just in so much pain baby
'Cause you just won't come back to me. Will you? Just come
back to me!

(Lonely) Yes baby my heart is lonely
(Lonely) My heart hurts baby
(Lonely) Yes I feel pain too
Baby please

This time instead just come to my bed

And baby just don't let me do-o-o-own

[Chorus]

Come to the end of the road
(To the end of the road, don't know what to do)
Still I can't let go (no no, no no, no no no no no)
It's unnatural, you belong to me, I belong to you

Bright Lights – Matchbox 20

She got outta town
On the railway, New York bound
Took all except my naaa-ame
Another alien on Broadway
Well, some things in this world you just can't change
Some things you can't see until it gets too late

[Chorus:]

Baby, baby, baby when all your love is gone
Who will save me from all I'm up against out in this world
And maybe, maybe, maybe
You'll find something that's enough to keep you
But if the bright lights don't receive you
You should turn yourself around and come on home

I got a ho-ole in me now
Hey, I got a scar I can talk about
She keeps a picture of me
In her apartment in the city
But some things in this world, man, they don't make sense
Some things you don't leave until they leave you
And then the things that you miss, you say

[Chorus]

Let that city take you in (come on home)
Let that city spit you out (come on home)
Let that city take you down, yeah
For God's sake turn around

[Chorus]

Yeah, come on home...baby, baby, baby, baby
Come on home
Yeah, come on home [x3]
Baby, baby, baby, baby, come on home

Take Me Home Country Roads – John Denver

Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, blowing like a breeze

[Chorus:]

Country roads, take me home to the place I belong
West Virginia, mountain mama, take me home, country roads

All my memories gather round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

[Chorus]

I hear her voice in the morning hour, she calls me
The radio reminds me of my home far away
And driving down the road I get a feelin'
That I should have been home yesterday
Yesterdaaaaay

[Chorus][x2]

Take me home, down country roads
Take me home, down country roads

Penny Lane is in my ears and in my eyes
A four of fish and finger pies, in summer, meanwhile back

Behind the shelter in the middle of a roundabout
The pretty nurse is selling poppies from a tray
And though she feels as if she's in a pla-a-a-ay, she is anyway

In Penny Lane, the barber shaves another customer
We see the banker sitting waiting for a trim
And then the fireman rushes in
From the pouring rain, very strange

Penny Lane is in my ears and in my eyes
There beneath the blue suburban skies
I sit, and meanwhile back

Penny Lane is in my ears and in my eyes
There beneath the blue suburban skies

Penny Lane

Bridge Over Troubled Water – Simon and Garfunkel

When you're weary, feeling small
When tears are in your eyes, I will dry them all
I'm on your side - oh, when times get rough
And friends just can't be found

[Chorus:]

Like a bridge over troubled water, I will lay me down
Like a bridge over troubled water, I will lay me down

When you're down and out...when you're on the street
When evening falls so hard, I will comfort you
I'll take your part, oh, when darkness comes
And pain is all around

[Chorus]

Sail on, silver girl...sail on by
Your time has come to shine, all your dreams are on their way
See how they shine
Whoa, if you need a friend
I'm sailing right behind

Like a bridge over troubled water, I will ease your mind
Like a bridge over troubled water, I will ease your mind

----10-Minute Break----

Under The Bridge – Red Hot Chili Peppers

Sometimes I feel like I don't have a partner
Sometimes I feel like my only friend
Is the city I live in, the city of angels
Lonely as I am, together we cry

I drive on her streets, 'cause she's my companion
I walk through her hills, 'cause she knows who I am
She sees my good deeds and she kisses me windy
I never worry, now that is a lie

[Chorus, x2:]

I don't ever want to feeeeeeel
Like I did that day
Take me to the place I love, take me all the way

Yeah...Yeah, yeah

It's hard to believe that there's nobody out there
It's hard to believe that I'm all alone
At least I have her love, the city she loves me
Lonely as I am, together we cry
